

The Safe Zone Training educates participants on:

- Providing education on terminology used to discuss sexual orientation, gender identity, and gender expression.
- Increasing *awareness* of the current campus climate for members of the lesbian, gay, bisexual, and transgender communities.
- Providing information regarding current issues the lesbian, gay, bisexual, and transgender community face.
- Educating and providing resources on the importance of being a Safe Zone for the lesbian, gay, bisexual, and transgender students, faculty, and staff on the campus of CMU.
