

Central Michigan University Honors Program

2010 Application for CMU & Transfer Students

To apply for Honors Program admission, applicants generally must have a minimum of a 3.5 GPA unless there is an existing articulation agreement with your current university. If you do not meet this requirement you may request special consideration by submitting this form, the required essay, and a statement describing the special circumstances and/or supporting evidence of academic promise which qualifies you for admission to the CMU Honors Program. **Applicants will be notified of their status on a rolling basis.**

Attach a one page, typed essay which explains why you are seeking enrollment in the Honors Program. Please explain how joining the Honors Program will help you achieve your academic and professional goals, and in what specific activities you plan to become involved if you were admitted to the Honors Program.

Because the admission process for the Honors Program is selective, it is important to be as thorough as possible when filling out this application and completing your essay.

Provide **ALL** requested information on this form and mail it, along with your essay, an unofficial copy of your college transcript('s), and your statement (if you are seeking special consideration), **in one envelope**.

Send to: Central Michigan University Honors Program, Powers 137, Mount Pleasant, MI 48859.
