Carl Levin has represented Michigan in the U.S. Senate since 1978. He is the Chairman of the Senate Armed Services Committee, where he has earned a reputation as a strong supporter of our national defense, a tireless advocate on behalf of our service men and women, and an effective fighter against wasteful government spending.

In an editorial about Senator Levin, the *Detroit News* wrote, “He has been above reproach personally and has stuck to his principles, even when they were unpopular. Principled leadership, no matter what political ideology it comes from, is sorely needed in Washington.”

About the Speaker Series

U.S. Senator Carl Levin (D-Mich.) will be the inaugural speaker for the **Philip A. Hart and William G. Milliken Endowed Speaker Series for Integrity in Politics** at Central Michigan University.

The endowed speaker series is named in memory of former **U.S. Senator Philip A. Hart** and in honor of former **Michigan Governor William G. Milliken**. The mission is to challenge interested parties—students in particular—to approach politics in a way that embraces America’s diversity of ideas and perspectives. The speaker series will bring to campus individuals from the public and private sectors who have demonstrated a commitment to stimulating positive change in the public policy arena.
