## FEATURED CME ACTIVITIES

### **CMU College of Medicine – GME Office; Ramping up in Research**

#### ***Searching the Literature and Managing Citations***

**Bethany Figg, DEdT**, Director of Graduate Medical Education, Central Michigan University Medical Education Partners

Tuesday, April 2, 2024. 7:30a-8:30a; Hybrid. Stone Street and Online.

Contact: GME Office at 989-746-7880

1.0 AMA PRA Category 1 Credit™

#### **Course Description:**

An important part of completing scholarly activity for faculty is understanding how to find what others have done in their area of interest. Performing a literature search is often the first step of this process, and knowledge of standard practices and the use of guidelines makes a faculty member more effective in their search. Once resources are found, learning to use bibliographic management systems will help faculty become more efficient and collaborative team members during research projects. Dr. Figg, with her experience as a medical librarian as well as a researcher, will provide guidance in this area during her talk.

---

### **Covenant Inpatient Physician Practices - Grand Rounds**

#### ***Pillars of Resuscitation in Adult Unstable Trauma Patients***

**John Sharpe, MD**, Attending Physician, Department of Surgery, Covenant Medical Center, Saginaw, MI.

Tuesday, April 9, 2024; 12:00p-1:00p

1.0 AMA PRA Category 1 Credit™

Please see the attached flyer.

#### **Course Description:**

This topic will review literature and visit the evidence-based guidelines of hemostatic resuscitation of the unstable trauma patient. This course will explain the role of restrictive IV fluid administration, massive transfusion protocol, and future application of whole blood transfusion.

---

### **Saginaw County Health Department**

#### ***Obesity Summit 2024***

Friday, April 12, 2024; 8:30a-1:00p

3.5 AMA PRA Category 1 Credits™

Please see the attached flyer.

#### **Course Description:**

Obesity Summit 2024 is focused on uniting Saginaw County healthcare providers around an understanding of the prevalence of obesity and urgency of action, introducing a more uniform standard of care for overweight and obese patients, and unveiling new local resources to help providers educate and support patients.

---

## CMU College of Medicine Multidisciplinary Grand Rounds

### *Health Views from the Corporate Trenches*

Annemieke De Wilde, MD, Chief Medical Officer and Global Director of Occupational Health, Dow, Midland, MI.

Thursday, April 18, 2024; 7:30a-8:30a; [Online](#)

1.0 AMA PRA Category 1 Credit™

#### **Course Description:**

Occupational Medicine is one of the least understood specialties in the world. This educational activity will shed light on the role of occupational medicine physicians in clinical care for working populations, focusing on the value these physicians bring to the overall success of a global corporation.

---

## Region 3 – Trauma Advisory Committee

### *2024 Region 3 Trauma Symposium*

Thursday, April 18, 2024. 7:30am to 4:15pm; Horizons Conference Center, Main Room.

6.0 AMA PRA Category 1 Credits™

Please see the attached flyer.

#### **Course Description:**

The focus of this symposium is mental health in the trauma world for both patients and providers, rescue techniques utilized in the prehospital setting and how they can impact the trauma patient's care, emergency preparedness, and various case studies of complicated trauma patients by reviewing pre-hospital and in-hospital care.

---

## Covenant HealthCare – Women's and Children's Department

### *2024 Pediatric Symposium: Building Bright Beginnings*

Friday, May 17, 2024. 8:00am to 3:15pm; Saginaw Valley State University, Gilbertson Hall.

6.0 AMA PRA Category 1 Credits™

Please see the attached flyer.

#### **Course Description:**

Advances in neonatal medicine have allowed lower limits of viability for preterm infants than historically practiced. Caring for the complex medical conditions of these preterm infants requires a team of providers who are familiar with these conditions and can recognize the child's unique needs. Education provided during the symposium focuses on the transition of care from the hospital to home and how we can accommodate our practice to support the ongoing needs of the child.

## CME FORMS

CME application forms are continually being updated as the ACCME changes and modifies requirements. For example, we have made recent changes to the master CME and the Grand Rounds application forms regarding the new, streamlined, and online process to obtain American Board of Surgery MOC. Please note the date at the top center or bottom right of the application forms you are completing. All of our most recent CME application forms and Guidelines are published on our website at [Documents and Forms](#). If you have any questions about our CME application documents or the process to obtain *AMA PRA Category 1 Credits™*, please contact us at [cmedcme@cmich.edu](mailto:cmedcme@cmich.edu).

## CME ONLINE EDUCATIONAL COURSES

A variety of online courses are available at [CMU CME ONLINE](#) to enhance physician lifelong learning.

The following courses required for licensing in Michigan are:

- [Human Trafficking Update 2022](#)
- [Ethics: Challenge & Opportunity of Genome Editing: Scientific & Ethical Considerations](#)
- [Pain Management: The Evolving Landscape of Treating Chronic Pain and Use Disorder](#)

### Recently Added Courses:

#### *Tenecteplase vs. Alteplase in Stroke and Pulmonary Embolism*

**Charles Lathrop, PharmD, CACP**, Clinical Pharmacist, Covenant HealthCare

1.00 AMA PRA Category 1 Credit™

#### Course Description:

This presentation highlights evidence for the use of thrombolytics in patients with acute ischemic stroke and pulmonary embolism. This course will compare the pharmacology, efficacy, safety, and formulary considerations of thrombolytic alteplase and tenecteplase.

---

#### *AI in Medical Education Series: Part 1- Introduction to Large Language Models*

**John Lowry, PhD**, Director of Faculty Development and Associate Professor of Education, CMU College of Medicine

1.00 AMA PRA Category 1 Credit™

#### Course Description:

This presentation introduces participants to generative artificial intelligence (AI) and large language models, such as ChatGPT. It contains examples of how AI can be used in medical education to enhance thinking and improve work productivity.

---

#### *Emotional Intelligence: It's Importance in Learning and Patient Outcomes*

**Robin Benson**, Manager of Educational Services, MyMichigan Health

1.00 AMA PRA Category 1 Credit™

#### Course Description:

This CME educational presentation explains “emotional Intelligence (EI),” what it is, how it is demonstrated when working with other individuals, as well as outcomes associated with patients and students. A sample self-assessment and resources for the development of EI will be shared.

---

#### Michigan Public Health Institute <https://www.mphi.org/>

Our collaboration with the MPH I permits CMU and community faculty access to their large free online library of certified eLearning materials for medical professionals. To view and/or access these courses, create an account/log in at: <https://courses.mihealth.org/PUBLIC/home.html>.

eLearning materials accredited by CMU College of Medicine in the MPH I library include:

- Breastfeeding for Professionals Working with Families
- Childhood Lead Exposure: Identification, Prevention, and Management
- Death Scene Investigation: Investigation of Water-Related Deaths
- The Changing Face of Syphilis
- We Treat Hepatitis C Courses: Eliminating HCV in Michigan

## CME GENERAL INFORMATION

### Credit for Teaching

CMU College of Medicine appreciates ALL that you do in teaching our residents and medical students! To ensure that you adequately obtain your Category 2 Credit for Teaching, all forms (2021 to 2024) and instructions are available on our website at [Claim Credit and Transcript](#) under **Category 2 Credit Forms**.

### CME Credit and Certificate Process

To claim *AMA PRA Category 1 Credit™* go to [Claim Credit and Transcript](#), then click on the “Claim Credit” box.

If you need assistance, please email [cmedcme@cmich.edu](mailto:cmedcme@cmich.edu) or call 989-746-7602.

Activities are available for 30 days post-event for claiming CME credit.

### CME Comments and Suggestions

Your comments and suggestions about CME are always invited (and are very important to us!). They may be submitted at any time on our website [Continuing Medical Education](#) under **Continuing Medical Education Team** [Comments and Suggestions](#).

### CME Accreditation and Joint Providerships

Central Michigan University College of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME®) for four years as a provider of continuing medical education (CME) for physicians.

The Office of Continuing Medical Education (OCME) offers joint providership accreditation to non-accredited providers for conferences, courses, seminars, regularly scheduled series, and symposiums (virtual and/or in-person) for healthcare professionals.

For all information regarding Continuing Medical Education, please visit our website at [med.cmich.edu/cme](http://med.cmich.edu/cme), email us at [cmedcme@cmich.edu](mailto:cmedcme@cmich.edu), or call us at 989-746-7602.
