Additional information needed/action to be taken:					
<p>No narrative was provided to allow reviewers to understand HOW the standards are met in the courses identified. (Three three-hour electives CDO 130, SPE 550, and EDU 506 are listed but they do not appear to be equivalent.) How are the electives selected? What criteria are used for selecting electives to provide an equivalent experience?</p> <p>On the Form XX please identify the elective and required courses in a manner that clearly presents the program.</p>					
Comments:					
<p>The program summary was thorough. The faculty information was provided clearly and the P-12 collaboration is outstanding. This information could have been used to document the knowledge of K-12 curriculum. The 100% MTTC pass rate is to be commended.</p>
