

STRATEGIC PLANNING TEAM

May 9, 2013
Lakeshore Room - University Center
3:30 - 5:00 p.m.

AGENDA

1. Review Open Forum Discussions
2. Review Draft Metrics
3. Next Steps/Future Meetings of this Committee

Comments from First Forum:

Priority 3:

- * Can we develop a short stand-alone survey in place of using the Staff Satisfaction Survey?
- * Questioned if we were measuring supervisor support for training.
- * Suggested annual training

Comments from Second Forum:

* It was suggested that we include all 6 of the metrics that the State uses for performance funding.

Priority 1:

* Questioned if we should have a metric that tracks recruitment engagement activities.

Priority 4:

- * Do we have enough service learning courses to meet increase of our goal? Will there be enough spots for students?
- * Discuss Academic Internship 5-year goal of >50%.

Priority 5:

- * It was suggested that fundraising should be highlighted as a separate metric.
- * Should we have a cost of attendance metric?
