### HAZARDOUS MATERIALS RELEASE

Emergency Building Coordinators or building administrators will advise and assist you in the event of a hazardous materials emergency. If it becomes necessary to evacuate the building, you will be instructed which routes and exits from the building to use and where the safest rally site will be.

If the emergency requires you to stay in the building you may be instructed to:

1. Close and seal off all exterior doors and windows.
2. Shut off any room air sources like window air conditioners or fume hoods.
3. Remain in the building until advised of further action.
4. Be prepared to move to a safe area in the building or to eventually evacuate.
