Required Information

Central Michigan seeks to admit students who provide evidence of solid academic performance and good character. CMU recognizes that a secure environment enhances learning opportunities. In order to provide the best possible learning environment, we require, as part of the admissions process, applicants respond to the following questions.

Have you ever been expelled, suspended, disciplined or placed on probation by any secondary school or college you have attended because of academic dishonesty, financial impropriety or an offense that harmed or had potential harm to others?

Yes No

Have you ever been convicted of a criminal offense (including in juvenile court) other than a minor traffic violation, or are there criminal charges pending against you at this time?

Yes No

If you answer yes to either of these questions, please complete the enclosed "Undergraduate Admissions Application Supplemental Information" form. If circumstances arise in the future (until the time you begin attending classes) that make your answers to the above questions inaccurate, misleading or incomplete, you must provide the Office of Admissions with updated information.

I certify that all the answers I have given on this form are complete and accurate to the best of my knowledge. I understand that withholding information that is requested on this form will make me ineligible for admission to CMU or subject to dismissal. I also understand that the university reserves the right to rescind or suspend an admission decision for any reason and at any time it deems this action is warranted.
