## Undergraduate application checklist

Applications are accepted and admission decisions are made on a rolling basis throughout the year. To receive priority consideration for scholarship awards, however, completed applications should be submitted by November 1.

Follow these simple steps:

- Complete your application
- Have your official transcripts and ACT scores sent to CMU
- Pay your \$35 application fee
- Complete your FAFSA between Jan. 1 and Feb. 14 and designate CMU as your school of choice to qualify for financial aid. Explore CMU's scholarships online.

### For transfer students

In addition to the steps listed above, you must request that each college or university you have attended send your official transcripts directly to the CMU Admissions Office. If you have completed fewer than 24 college semester hours you also must submit your high school transcript.

### Deadlines

Here are some important deadlines to consider throughout your admissions process.

- **Nov. 1** - Complete your application. We recommend applying by Nov. 1 for priority processing, but we accept applications anytime during the year.
- **Feb. 14** - Postmark deadline for filing FAFSA if sending by mail
- **March 1** - Deadline for FAFSA if submitting on the Web
- **March through April** - Apply for CMU departmental and endowed scholarships (various deadlines)
