

Economics Department Scholarship Application

Michael P. Shields International Graduate Summer Research Endowed
Award
2020-2021 Academic Year

Name _____

Student ID # _____ Expected date of graduation _____

Local phone # _____ E-mail address _____

Local Address _____

Eligibility

An international graduate student currently in the Master of Arts in Economics program who is working with a faculty member on research throughout the summer. Preference will be given to students who will co-author with the faculty member. For consideration, the student, and if applicable, faculty member will provide a written document, two page maximum, that describes the focus of the research. This document should include a description of the student's role in the research.

The application requires this completed form and the research description. Return both to Economics Department office (Sloan 321) by **Friday, February 28, 2020**
