

## Accelerated Master's Degree Program Application

The Accelerated Master's Degree Program (AMDP) allows students to reduce the total number of credits required to complete their undergraduate and graduate degrees by applying up to twelve 500 and 600 level credit hours (only 6 credits is allowable for MBA) toward graduation requirements on both degree programs. Students must enroll for the courses at the undergraduate level and may not be enrolled in more than 15 total credit hours (UG and graduate level combined) per semester.
