The Social Work program will prepare you for a career as a generalist social work practitioner. You’ll learn about human behavior and social environment, social problems, and social welfare policy. You’ll learn to help people positively advance their lives and improve the way society treats them.
Program highlights

**Career enrichment** through professional and student organizations such as the Student Social Work Association

**Volunteer experience** with local, national and international organizations

**Undergraduate research opportunities** with faculty

**Required senior year field experience** in a professional setting

**Career options**

The Bachelor of Social Work degree program is accredited by the Council of Social Work Education and leads to eligibility for licensure as a Licensed Bachelor’s Social Worker in Michigan. A supervised experience and passage of an examination after graduation are required for licensure.
