# The African Experience

Come join us as we learn about the fascinating continent of Africa:

- The Geography of Africa
- The Prehistory of Africa
- Social and Political Structures and Belief Systems of Africa
- States and Societies of Africa before 1500s
- Africa and the European Encounter, 1500s-1800s
- Africa under European Colonialism, 1800s-1960s
- Africa since Independence, 1960s to Present
