HST 370: Modern China

This course covers the period from the founding of the Republic of China in 1911 to the present. It will include tumultuous events such as the Second Sino-Japanese War (which merged into World War II), the civil war between the Nationalists and Communists, the Great Leap Forward, the Cultural Revolution, and much more. Enroll in this course to find out how the world's most populous nation transformed itself from an agrarian society to a leading economic powerhouse.
