COMMUNITY PROGRAM DEVELOPMENT, IMPLEMENTATION, AND EVALUATION

Pre-doctoral Intern, Victim Services Track (9/12-8/13)

Community Healthlink, Youth and Family Services

Grafton Job Corps Prevention Groups on Challenging Media Messages and Race in the Media

Developed and implemented two prevention groups for late adolescent and emerging adults in Grafton Job Corps, a free education and career training program for economically disadvantaged youth.

Victim Services Placement

Duties: Provided community-based support groups, advocacy, and outreach for: children who have witnessed domestic violence; children and families who have lost a caregiver by homicide or vehicular homicide; youth who have experienced abuse or have been victimized by gang violence, dating violence, or sexual assault.

Program Developer, School-Based Trauma Intervention (5/12-8/12)

Bowling Green State University, Bowling Green, OH

Duties: Based on the results of the community's needs assessment (see below), facilitated development of a 14 session classroom-based intervention for an alternative education high school in Toledo. Designed sessions on how discrimination causes stress and how to apply coping skills to traumatic experiences or stressors.

Supervisors: Eric F. Dubow, Ph.D. and William Donnelly, Ph.D.

Wood County Needs Assessment (1/10-5/12)

Bowling Green State University, Bowling Green, OH

Duties: Conducted county-wide assessment of the needs and services for families and children. This project consisted of ongoing collaboration between multiple human service agencies and the development and administration of key informant and community surveys.

Supervisors: Eric F. Dubow, Ph.D. and William Donnelly, Ph.D.

Psychology Practicum Clinician (5/10-5/11)

Children's Resource Center, Bowling Green, OH

Duties: Provided outreach for and behavioral health screens of youth at the Wood County Juvenile Detention Center, in order to identify youth in need of additional prevention and intervention services. Collaborated with youth and their families to connect them to services post-adjudication.

Supervisors: Noelle Duvall, Ph.D. and William Donnelly, Ph.D.

Program Evaluator (8/09-5/10)

Wood County Educational Services Center, Bowling Green, OH

Duties: Evaluated federal- and state- funded mental health prevention programs implemented by the Alcohol, Tobacco, and Other Drug Prevention Program of the Educational Service Center. Designed pre/post tests, coordinated fidelity assessments, analyzed outcome data, and wrote annual and quarterly reports for the grant funders and community stakeholders.

Supervisor: Eric F. Dubow, Ph.D.

Co-Facilitator of Teen Center Prevention Group (9/08-5/09)

Teen Center Prevention Program, Bowling Green, OH

Duties: Developed and evaluated program sessions on coping with traumatic stressors. Co-facilitated bi-weekly sessions aimed at providing psychoeducation and coping skills to teens regarding peer pressure, bullying, and family relationship improvement.

Supervisor: Eric Dubow, Ph.D.

Co-Facilitator of School-Based Prevention Program (8/08-5/09, 8/09-12/09)

‘I CAN DO’ Prevention Program, Bowling Green, OH

Duties: Conducted and evaluated a 15-week primary prevention program with 4th grade students focusing on building competencies and self-efficacy with five stressful events that occur to children including: parental separation/divorce, death of a loved one, moving to a new home or school, becoming a “latchkey” child, and being “different” (ethnically, physically, etc.).

Supervisor: Eric Dubow, Ph.D.

CLINICAL TRAINING

Post-doctoral Fellow in Clinical Child and Adolescent Psychology (9/13-8/14)

University of Michigan, University Center for the Child and Family, Ann Arbor, MI

Outpatient Clinical Services

Duties: Provided outpatient individual and family therapy to a caseload of 10-15 children, adolescents, and families. Conducted psycho-educational and diagnostic assessments for children and adolescents.

Supervisors: Fiona Miller, Ph.D., Cindy Ewell Foster, Ph.D., Erin Hunter, Ph.D., and Anupama Agrawal, LMSW

Pre-doctoral Intern, Victim Services Track (9/12-8/13)

Community Healthlink, Youth and Family Services (APA-Accredited), Worcester, MA

Outpatient Services

Duties: Provided outpatient individual and family therapy to a caseload of 10-15 children, adolescents, adults, and families. Conducted psychological and developmental assessments for children, adolescents, and adults (e.g., utilized intelligence, achievement, projective, and neuropsychological measures).

Supervisors: Susan Tritell, Psy.D., Anthony Irsfeld, Ph.D., Danielle Wahba, Psy.D

Victim Services Placement

Duties: Provided therapy (Trauma-Focused Cognitive Behavioral Therapy) to children who have witnessed domestic violence; children and families who have lost a caregiver by homicide or vehicular homicide; and youth who have experienced abuse or have been victimized by gang violence, dating violence, or sexual assault.

Supervisor: Michelle Chunis, Ph.D.

Consultation Services

Duties: Conducted a quality improvement project where I collaborated with the Youth and Family Services Director in evaluating clinician adherence to administering clinical tools (e.g., BASC-2, Conners) to outpatient therapy clients during initial evaluation and throughout therapy to quantify behavior change.

Supervisor: Susan Tritell, Psy.D.
