

3. List areas the student needs to continue to develop and/or anything you observed that may hinder the student's effectiveness as a social worker.

Below please rate the applicant relative to other students or new employees you have known in the same field in recent years. Explain as needed in the comment section.

	1-problematic	2-below average	3-average	4-good	5-exceptional	N-not observed	
Category:	1	2	3	4	5	N	Comments
Professional competence							
Awareness of and sensitivity to issues of race, gender, age, sexual orientation, and disability							
Regularly exhibits <u>mature</u> judgment in decision making and actions							
Reliability and follow-through							
Ability to handle complex tasks or concepts							

Below, provide your overall assessment of the student's appropriateness and readiness for social work. Include comments, particularly if you have reservations about the student's admission to the program.

- I highly recommend the student to the social work program.
- I recommend the student to the social work program.
- I have some reservations, but would recommend the student for the social work program.
- I have some reservations and would not recommend the student for the social work program.
- I feel the student is not suited for the social work program.
