

# 2021 Virtual Spanish Film Festival

Celebrating New Cinema from Ibero-America and Spain at Central Michigan University

## PERFECT STRANGERS

STREAMING ACCESS WEEK: April 19-26

MANOLO CARO / MEXICO / 2018 / 104 MIN / Spanish with English subtitles

From Mexican director Manolo Caro (Netflix's *The House of Flowers*) comes the electrifying comedy about a seemingly simple dinner party. When a group of best friends gets together during a lunar eclipse to share an intimate meal in the tasteful house of Eva and Antonio, they suspect it's just another typical night, until the hostess proposes a game. All guests must lay their cell phones on the table and read aloud all incoming messages and answer all incoming phone calls in front of the entire group. What begins as a provocative party game quickly becomes a wild ride full of twists and "textual tension" in this over-the-top comedy about the secrets we all carry in our pockets.
