CREDIT FOR TEACHING (Category 3 now is Category 2-A): STATE OF MICHIGAN CHANGES TO PHYSICIAN LICENSING

The State of Michigan Department of Licensing and Regulatory Affairs (LARA) revised and condensed licensing requirements for medical doctors in December 2016. There are now only two categories, with the former sub-categories being incorporated under Category 2. For example, formerly Category 3 credit for teaching is now Category 2-A. A Category 2-A Credit form as well as the complete description of the updated requirements and reformatted credit requirements are available on the CME website at [CMED OCME](#) under [Category 2 Credit Forms](#), “2017 Michigan CE Requirements for Michigan Medical Doctors” (published January 2017).
