Approval Date: 5/21/14 FEC – reviewed July 26, 2016

☑ Policy ☐ Procedure

POLICY:

Students who elect to enroll in another degree, or course, while enrolled in the CMED MD degree must remain in good academic standing as defined in the Student Handbook in the MD degree.

PURPOSE:

Medical students may seek to position themselves for future success by engaging in degree work concurrently with the MD program.

PROCEDURE:

1. Medical students who are considering enrolling for a degree or a course concurrently with the MD program must contact the Office of Students Affairs and the College of Medicine Registrar.
2. Medical students must be in good academic standing to be allowed to enroll.
3. Medical students must maintain good academic standing to maintain that enrollment. Any perceived impact on student performance in the MD degree will be addressed by the Office of Student Affairs.
4. Activities related to course work outside of the MD degree must not conflict with attendance in the MD degree curriculum.

CMED and CMU Partners reserve the right to make exceptions, modify or eliminate this policy and or its content. This document supersedes all previous policies, procedures or guidelines relative to this subject.
