POLICY

All students, regardless of instructional site/campus, are required to complete all of the requirements delineated in the Promotion and Graduation Requirements.

DEFINITIONS

An instructional site/campus includes the main campus (Mt. Pleasant Campus) and any other site at which at least one student spends at least six consecutive months or more of the educational program (e.g. Saginaw and Detroit Campus). An affiliate site includes all sites where students spends less than six consecutive months in the clinical area (e.g. Lapeer).

PROCEDURES

The SPCC shall recommend to the dean, via the Faculty Council, student promotion, candidate receipt of the MD degree, and disciplinary action related to its purview which may include suspensions, censures, and dismissal.

1. The Promotion and Graduation Requirements are maintained by College of Medicine Office of Medical Education.

PROMOTION AND GRADUATION REQUIREMENTS
The requirements for the MD degree are established by the Central Michigan University College of Medicine Curriculum Committee. The requirements are as follows:

1. Satisfaction of Academic Requirements: To graduate, students must satisfy all academic requirements.
2. United States Medical Licensing Examination: To graduate, students must achieve overall passes on the USMLE Step 1 and Step 2 Clinical Knowledge (CK), and Step 2 Clinical Skills (CS) examinations.
3. Satisfaction of Technical Standards: To graduate, students must meet the standards set forth in the College of Medicine Technical Standards, or Standards of Capacity as outlined in the College of Medicine Student Handbook.
4. Satisfaction of Professionalism Requirements: To graduate, students must meet the standards of professionalism as stated in the College of Medicine Student Handbook.
5. Medical Health Requirements and Immunizations: MD candidates must be in compliance with medical health requirements at all times. This includes health-related forms, immunizations, and tests.
