VisualDx is an award-winning diagnostic clinical decision support system designed to enhance diagnostic accuracy, aid therapeutic decisions, and improve patient safety. VisualDx was developed to assist clinicians in medical decision-making by providing peer-reviewed evidence-based information at the point of care. Clinicians can quickly build a custom differential diagnosis across general medicine or use the powerful search function to access patient-specific clinical information and the world's best medical images.

The Value of VisualDx:

- Improve diagnostic accuracy. Improve patient outcomes.
- Build and visualize a differential based on a chief complaint.
- Identify medication adverse events.
- Access specialist-level diagnostic guidance and therapeutic recommendations.
- Easily integrates into Problem-Based Learning and GME-level programs.
- Places more than 40,000 professional medical images at your fingertips.
- Compare diseases with exclusive Sympticon™ graphics.
- Test knowledge and learn with built-in quizzes.
- Solve challenging diagnoses.

Key Features of VisualDx:

- Powerful Differential Builder
- Smart Search for Chief Complaints, Diagnoses, and Drug Reactions
- Expert Content
- Mobile Access
- World's Largest Medical Image Library
- Trademarked Sympticon Visualization Technology
- Patient Engagement and Handouts
- Earn CME
To Access VisualDx:

- VisualDx is available at this link [here](#) or from the [library's website](#) under the Quick Access to Popular Resources. Both links will prompt for library barcode. If you don’t have or know your library barcode and need access, please contact us by phone at 989-746-7577, e-mail at cmedlibrary@cmich.edu or stop in the library.

Personal Account:

- VisualDx requires you to set up a personal account prior to downloading the mobile application. A personal account allows mobile and remote access as well as the ability to earn CME. Please visit see our page on [Creating Your Personal Accounts](#) for more information. If you have questions or need assistance, please contact us by phone at 989-746-7577, e-mail at cmedlibrary@cmich.edu or stop in the library.

Mobile App:

- Once you set-up your VisualDx personal account you can download the mobile application and access the resource remotely. Please sign-in with your personal account via the mobile device. This requires authentication on the library IP address and must be completed every 12 months. More information on downloading the VisualDx mobile application can be obtained on the [Mobile Library Resources](#) page. If you have questions or need assistance, please contact us by phone at 989-746-7577, e-mail at cmedlibrary@cmich.edu or stop in the library.

Knowledge Services Medical Library providing resources to aide you in making informed decisions.
