**Admission Criteria for Accelerated Master of Arts in Higher Education Administration**

To be eligible for the Accelerated Master of Arts in Higher Education Administration, the student must have an overall undergraduate grade point average (GPA) of at least 3.0 and completed a minimum of 86 credits toward a Bachelor’s degree, including all General Education requirements (including transfer and AP credits), the semester that they apply for admission to the accelerated MA program. During the student’s final academic year, each will complete 12 credits of coursework that will be counted toward both the undergraduate and graduate degrees. The student is responsible for fulfilling all of the requirements for the undergraduate degree and, therefore, additional credits may be taken to complete the Bachelor’s degree requirements during the final year.

The student must earn a minimum of a 3.0 GPA or higher in each course below. If the student does not earn a 3.0 GPA or higher in each course that is intended to be applied to the graduate degree, they must reapply for admission to the MA in HE program.
