EDUCATIONS

- 2010 Ph. D. Oklahoma State University, Stillwater, Oklahoma
Major: Design, Housing and Merchandising
Dissertation: Laboratory Assessment of Range of Motion and Pressure
Associated with Female Soldiers Wearing a Ballistic Vest
- 2005 M.S. Washington State University, Pullman, Washington
Major: Apparel, Merchandising, Design and Textiles
Thesis: An Apparel Collection Expressing the Beauty of Natural Dyeing and
the Aesthetic of *Hanbok*
- 2001 B.S. Pai Chai University, Taejon, South Korea,
Major: Clothing & Textiles

PROFESSIONAL EMPLOYMENT

Spring 2010 to present	Assistant Professor	Department of Human Environmental Studies, Central Michigan University, Mt. Pleasant, MI
	Courses	Spring 2013 AMD 345 (Apparel Design Methods) AMD 560 (Apparel Product Development)
		Fall 2012 AMD 545 (Introduction to Draping) AMD 560 (Apparel Product Development)
		Spring 2012 AMD 560 (Apparel Product Development) AMD 597A (CAD for Patterning) – New
		Fall 2011 AMD 345 (Apparel Design Methods) AMD 545 (Introduction to Draping) AMD 560 (Apparel Product Development)
		Spring 2011 AMD 241 (Apparel Design: Illustration) AMD 345 (Apparel Design Methods) AMD 560 (Apparel Product Development)

		Fall 2010	AMD 240 (Advanced Apparel Construction) AMD 345 (Apparel Design Methods) AMD 597A (Introduction to Draping) – New
		Spring 2010	AMD 345 (Apparel Design Methods) AMD 560 (Apparel Product Development)
Spring 2010 to present	Research Associate	Department of Human Environmental Studies Central Michigan University, Mt Pleasant, MI	
	Projects	<ol style="list-style-type: none"> 1. Bio-feedback research Associated with Socially Responsible Labeling (on-going). Co-researchers: Seung Bong Ko & Hae Jin Gam 2. Range of Motion Associated with Solider Wearing a Ballistic Vest (on-going). Co-researcher: Tanya Domina 3. Thermal Comfort Difference between Male and Female in Wearing Body Armor (on-going). Co-researcher: Tanya Domina 4. Evaluating Thermal Comfort of Renewable Fibers for Baby Clothes (2013). Co-researcher: Hae Jin Gam 5. Sleep studio mattress testing (Sponsored Project). Funded by Sleep Studio. Co- researchers: Maureen MacGillivray, Tanya Domina, & Patrick Kinnicutt 6. Police soft body armor (2011). Co researchers: Tanya Domina, Patrick Kinnicutt, & Kevin love 	
Fall 2006 to Fall 3009	Research Assistant	Department of Design, Housing and Merchandising, Oklahoma State University, Stillwater, OK	
	Projects	<ol style="list-style-type: none"> 1. The body armor (funded by Office of Naval Research) (2006 – 2009) 2. The firefighter smart clothing (funded by both Oklahoma Center for the Advancement of Science and Technology and Oklahoma Agricultural Experiment Station) (2008 - 2009) 	
Fall 2004 to Spring 2005	Teaching Assistant	Department of Apparel, Merchandising, Design and Textiles, Washington State University, Pullman, WA	
	Courses	Spring 2005	AMDT 108 (Introduction to Apparel, Design, Merchandising and Textiles) AMDT 316 (Advanced Pattern Making)
		Fall 2004	AMDT 311 (Draping and Flat Pattern) AMDT 412 (Computer Applications in Apparel, Textile, and Design)
