

Video Lesson Reflection

Teacher Candidate: _____ Date: _____

Lesson Title: _____

Positive things I noticed about my teaching:

What did you notice about the students (i.e. behaviors, reactions, attentiveness, interaction, etc.)?

What things will I work on to improve or do differently with my teaching?

Did you make any adjustments during the lesson? If not, are there things that you would do differently or change if you were to redo this lesson?

How did the students respond to the lesson? Did they achieve the learning target? What strategies did you use to assess their learning?

Name 3 “Ah-Ha” points that you gathered from this lesson?
