ACE Information

One half day per week is designated for students to have time to focus on other specialties, interprofessional/interdisciplinary experiences, continuity of care with patients (e.g. home visits) or community medical education. They may be hospital or community based.

The following link (ACES) will take you to a spreadsheet of potential opportunities listed by community. These community organizations have confirmed opportunities available to medical students. Mid Central AHEC staff has contacted every listed organization.

Hospital Information

McLaren Health Care is headquartered in Grand Blanc, MI and is a fully integrated health network committed to quality, evidenced based care and cost efficiency. McLaren operates Michigan’s largest network of cancer centers and providers anchored by the Barbara Ann Karmanos Cancer Institute. McLaren Flint is 378 bed tertiary teaching hospital located in Flint, MI serving the medical needs of residents in greater Genesee County and Mideast Michigan. McLaren Flint is affiliated with Michigan State University College of Human Medicine in its medical residency programs including family practice, internal medicine, general surgery and orthopedic surgery.
