ACE Information

One half day per week is designated for students to have time to focus on other specialties, interprofessional/interdisciplinary experiences, continuity of care with patients (e.g. home visits) or community medical education. They may be hospital or community based.

The following link [ACES](#) will take you to a spreadsheet of potential opportunities listed by community. These community organizations have confirmed opportunities available to medical students. Mid Central AHEC staff has contacted every listed organization.

Hospital Information

MidMichigan Health is a non-profit health system, headquartered in Midland, Michigan, affiliated with Michigan Medicine, the health care division of the University of Michigan. MidMichigan Health covers a 23-county region with medical centers in Midland, Alpena, Alma, Clare, Gladwin, Mt. Pleasant and West Branch. In addition to its Medical Centers, MidMichigan Health also offers both home health care and physician services, and has a strong commitment to medical education. MidMichigan Physicians Group provides urgent care and medical offices in more than 30 specialties and subspecialties including cardiology, hematology/oncology, orthopedics, vascular surgery, family medicine and more. The MidMichigan Health Foundation supports patients and families served by MidMichigan Health by raising funds for equipment, services and programs. Currently, MidMichigan has more than 8,700 employees, volunteers and physicians and provided more than $90 million in community benefits in fiscal year 2019.
