Housing Opportunities

Please contact Mid-Central AHEC staff directly.

Additional Clinical Experiences (ACES)

One half day per week is designated for students to have time to focus on other specialties, interprofessional/interdisciplinary experiences, continuity of care with patients (e.g. home visits) or community medical education.

They may be hospital or community based.

The following link (ACES) will take you to a spreadsheet of potential opportunities listed by community. These community organizations have confirmed opportunities available to medical students. Mid-Central AHEC staff has contacted every listed organization.

For additional assistance contact the Mid-Central Area Health Education Center (AHEC)
