

Professional Licensure Disclosure

Georgia

The Georgia Nonpublic Postsecondary Education Commission requires that students be provided with information regarding the extent to which their program meets professional licensure requirements within the State of Georgia.

Notes:

- If you are pursuing an Education degree, please refer to the Georgia Professional Standards Commission website at <https://www.gapsc.com/Certification/Home.aspx> for specific requirements regarding educator certification.
- If you are pursuing a Nursing degree, please refer to the Georgia Board of Nursing website at <http://sos.ga.gov/index.php/licensing/plb/45> for specific requirements regarding licensing.

The disclosure on “professional licensure” requirements shall be as follows:

Important Message for Prospective Students: It is highly recommended that students contact the appropriate licensing agency in their state of residence if they are considering an academic program that leads to a professional license. Below CMU offers a state-by-state guide with the web links to the appropriate licensing agencies. It is the responsibility of students to contact the appropriate licensing agency and to understand the requirements in their state of residence as applied to their specific situation.
