The Chippewa Coaches

From Left: Al Thomas, Bill Theunnisen, Jim Jones, Kenneth "Bill" Kelly

With a 1952 IIAC championship safely tucked away, the first in Central's history, coach Kenneth A. "Bill" Kelly will direct his powerful Chippewas for the third straight season. Last year Kelly improved on the final standings of the Chips. Taking over from Warren Schmakel in 1950 he guided Central to a 1951 mark of 5-3. Last year his charges pounded out seven wins while losing only two. Included in those seven wins were six straight IIAC victories. An almost complete veteran team will mark Bill's third year at Central.

Making this genial mentor such an integral part of Central is the fact he graduated from this institution in 1930. The name of "Bill" Kelly will long be remembered in the annals of Central's sports history. He won 13 letters during his four years and won spots on the All-Michigan Collegiate football and basketball teams. In the coaching game for 22 years, Kelly has been at the helm at Cass City, Mt. Pleasant, Saginaw Arthur Hill, and Central Michigan College.

Al Thomas enters his fifth year as varsity backfield coach. An All-American from the University of Michigan, Al will once again team with Kelly as Central defends the IIAC title. Thomas saw coaching action at Ishpeming and William and Mary. He led his 1950 frosh football squad to an undefeated season before moving up to the varsity.

Supplying the "Pep and Vinegar" is Jimmy Jones. Entering his fourth year as line coach is this fiery graduate of Miami of Ohio. Jimmy played great football at Miami, and has carried over his talents to Central. His defensive line of 1952 did not let an IIAC foe reach touchdown territory on the ground.

Another Central graduate is Bill Theunnissen. Now bearing the burden of varsity baseball coach as well as frosh football and basketball mentor, Bill begins his sixth year at Central. His freshman team last season rang up three victories while losing one. The Chip baseball squad netted nine wins against five defeats. He is rated as one of Central Michigan's outstanding golfers.

TODAY IS DADS' DAY

Once again Central Michigan College and its fine football team honor the Dads' of the members of the 1953 Chippewa squad. Each year Dads' Day is a special date on the Central schedule. Last year one of the biggest Dads' Day crowds in history turned out to watch Central de-

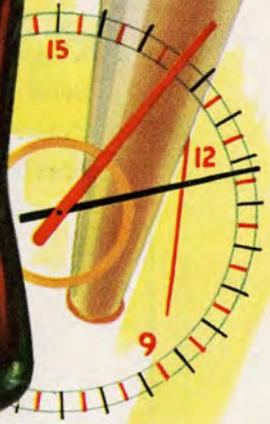

feat Southern Illinois 55-7. We are proud to be able to honor the Dads' and hope that once again Central's team can make the festivity a happy and joyous one by winning. Central Michigan College welcomes the Dads'

About The I I A C

Central Michigan College enters its third season as a member of the powerful Interstate Intercollegiate Athletic Conference. This year for the first time the Chips hold the distinction of being the Champs after posting six consecutive victories to capture the 1952 crown. Winning the title last year was the successful conclusion to a drive that started in 1950. That year the Chips ended with a 2-2 mark. In 1951 the squad moved up a notch and finished with a 4-2 record. Last year the Chips averaged 40 points a game to their opponents 5.5 to win going away.

The I I A C, originally known as the Illinois Intercollegiate Athletic Conference, was revised in 1950 to include two Michigan colleges — Central and Michigan Normal. The Chippewas compete in all major sports throughout the year. These events include: basketball, baseball, track, golf, tennis, football, climaxing the year's activities with the Conference meet late in May.

Central Michigan will compete again this year for the Sportsman Trophy and for positions on the All-Conference team. The Chips completely dominated the 1952 All-Conference football squad. The eight Chippewas placed on the team were: Chuck Miller, half-

back; Vern Hawes, fullback; Loren Dietrich, guard; Bill Doser, halfback; Bill Banaczak, line backer; Ken Barron, tackle; Dave Clark, halfback; Marty Klozik, guard.

The final 1952 I I A C standings are as follows:

Central Michigan	6	0	0
Western Illinois	5	1	0
Michigan Normal	3	2	1
Northern Illinois	2	4	0

About Eastern Illinois

One of Central Michigan's newest gridiron rivals is Eastern Illinois State College of Charleston, Illinois. The two teams met for the first time in 1951 with Central the victor 59-27. The Chippewas also won the 1952 contest (41-0) consequently holding football supremacy over their IAC foe. However, the picture is in direct opposite when it comes to other sports. Eastern's powerful basketball teams hold a record of four straight wins over Central. The Panther baseball squad also has not tasted defeat by Central in two meetings.

Eastern Illinois is one of the state's finest small-colleges. An extensive building campaign and successful athletic endeavors have placed the Charleston school high up in the ranks of Illinois schools. Eastern has already realized its dream for a new library while we at Central still are hopeful. The new structure cost two million dollars. Buildings are also being constructed for residents, a home economics building and others.

Athletic director John W. Masley has headed the Eastern athletic department for the past two years. Maynard "Pat" O'Brien is in his second year as head mentor after taking time off for graduate work. His assistants are: Rex Darling, John Lewis and Bill Grove.

Coach O'Brien has 19 lettermen plus two service men back from active duty on hand to help rebuild a squad that finished last in the IAC in 1952. Over 63 players turned out for opening practice . . . giving O'Brien a large field from which to choose his starters. Bob Smith, one of the returning servicemen, will be welcomed in the Panther backfield. He was one of the team's leading ground gainers in 1948 when they won the IAC crown.

Returning linemen are: Ron Landers, Hank Cart Don Larimore, Don Magsman, Don Calvin, Joe Summerville, Gail Bortan, Bill Deeter, and Arnold Franke. In the backfield Eastern has: Bob Calvin, John Hamilton Jim Griffith, Harry Bauler, Chuck Edgington, Jim Fredenberger, Gary Newell, John O'Dell, Bob Smith, and Bob Thrash.
