

Salem's new cigarette paper discovery "air-softens" every puff

Now even the paper adds to Salem's Springtime Freshness

An important break-through in Salem's research laboratories now brings you an entirely new kind of cigarette paper — HIGH POROSITY paper — which breathes new freshness into the flavor.

Each puff on a Salem draws just enough fresh air in through the paper to make the smoke taste softer, fresher, more *flavorful* than ever. If you've enjoyed Salem's springtime freshness before, you'll be even more pleased now. Smoke refreshed — smoke Salem!

A Welcome To Homecoming

At this time of year we are quite conscious of our wonderful trees. They are constantly changing in color. Soon they will be changing their leaves. They are constantly growing and because their roots are down, there is still a permanence to all this.

Your Alma Mater is likewise changing in many ways — the student body, the faculty, the curriculum, the name, size and President. Because the roots are down deep we are confident that there will continue the same old friendly spirit, the sense of purpose and the individual concern that has marked Central's spirit over the years.

A special welcome to our students of the past years. We trust that you see many friends, remember many happy events and just have a good time today on campus.

And now a word of congratulation to the Homecoming Queen and her Court with our appreciation for the touch of beauty these representatives of the student body give to the occasion.

Our opponents today are the Huskies from another rapidly growing University, Northern Illinois at DeKalb. Our relationships with the teams in the Interstate Intercollegiate Athletic Conference have been the finest. Today should bring to us a great contest by two outstanding teams.

Full Schedule Marks Homecoming Of 'Firsts'

Two notable "firsts" are being observed this weekend at Central Michigan University's 1959 Homecoming celebration; it marks the first annual Homecoming with Dr. Judson W. Foust as president and the school's first such celebration as a university.

Dr. Foust attended his first Homecoming celebration at Central in 1929, shortly after joining the staff as a mathematics instructor. Today, some 30 years later, he is taking part in his first Homecoming as President of Central Michigan University.

Between 1929 and 1959, President Foust served in practically every major academic capacity from instructor to assistant to the president and academic vice president. He became Central's sixth president on July 1 of this year.

At halftime of today's game, President Foust will crown Miss Lenore Jensen as Queen of the 1959 CMU Homecoming.

Aside from greeting a new president and observing Central's new university status, returning alumni will fill the weekend with the traditional reunions and get-togethers. Among these is the 25th Anniversary of the Class of 1934, Silver C Club Reunion, 25th Annivers of the CMU "Fight Song," and reunions of the classes from 1894 through 1946 and from 1947 through 1959.

Howdy Loomis, composer of the Central "Fight Song," will be back to strike up the Marching Band to the strains of his familiar composition. Also back for the Silver Anniversary of the song will be band members from years past.

Tonight, two alumni dances will be held off campus — one at the Elks Club and another at the Chieftain Hotel. The traditional Homecoming Dance, split into two sections to handle the large crowd, will be held in the Field House and Ballroom from 9 to 12 p.m.

Fraternity, sorority, dormitory, and organizational open houses have been in progress all morning and will continue to welcome alumni this afternoon, tonight, and tomorrow.

For alums from the classes of 1894-1946 and for the Silver C Club, a banquet will be held in the East Food Commons at 7 p.m. tonight. At the same time, 1947-1959 alumni will dine in the West Food Commons.

With last night's rousing kick-off of activities, and the remaining schedule of events, Central Michigan University's first Homecoming seems likely to be its greatest.

(For a more complete schedule of remaining activities on today's program, see page 20.)

Band, Fight Song - CMU Traditions

by John Tebbel, '35

When bright October sweeps the land, a sound of splendid music rises from the green turf of a thousand football fields in our country. This is one of the most American things about America — to see a band swing out from under the goal posts and hear it play the songs beloved by generations of college men and women. It stirs the heart, always, and consoles the mind for time's swift passage, saying, "Here is tradition, the link between past and present."

One of Central's finest traditions is its marching band. We have seen it grow from the thin, straggling lines of the Twenties to the smart precision maneuvers of the Fifties.

Many alumni must be remembered and honored for the band's development, and for the music it plays, but none more than Howard C. Loomis, '35, better

of several compositions he gave to Central, along with playing in the band and being cheerleader, to name but a few of his activities.

There was no more ardent believer in Central and all things she stood for than "Howdy," when he was

"Howdy" was the personification of school spirit in his years at Central, and he has carried on that spirit as an alumnus. The Fight Song was only one

a student; there is no more loyal and devoted alumnus.

His Fight Song stands and endures not only as a tribute to him, as it should, but as a living symbol of the spirit that is Central's, that has made our Alma Mater in this century an excellent normal school, an outstanding college, and a great university.

Introducing Queen Lenore Jensen

Central's 1959 Homecoming Queen, Miss Lenore Jensen, is a coed with a highly diversified and unusual scope of interests.

The blonde Allen Park sophomore is equally at home in a classroom, at an artist's drawing board, or on a rifle range.

Lenore, an art major with hopes of becoming a commercial artist, was on the Dean's List for academic honors both semesters of her freshman year, and in August won the 1959 National Women's Small Bore Rifle Championship.

The 19-year old beauty is also sophomore class secretary and a member of the Women's Glee Club and Alpha Chi Omega sorority.

Her mother and step-father, Mr. and Mrs. Marvin Driver, live in Allen Park where Mr. Driver is Chief of Police.

Homecoming Wins -- An Old Chip Habit

Central Michigan's football teams have succeeded well in making past Homecomings a success. The Chippewas have a remarkable habit of presenting returning alums with a gridiron victory to add to the weekend celebration.

Today, the Chips have an opportunity to launch a fresh Homecoming winning streak, after their string of eight straight such victories was snapped last year by Louisville.

Prior to that embarrassing 40-7 defeat, Homecomers had to look all the way back to 1949 to find a Homecoming game loss. That one was dished out by Hillsdale, 8-0.

Sandwiched between the 1949 and 1958 losses were a series of eight straight wins which ranged from 1957's 52-12 drubbing of Northern Illinois to a narrow 13-6 win over Western Illinois in 1953.

Some of the stars of those eight wins are back today, and many of the fans at today's game will remember the Homecoming triumphs.

In 1951, it was Gary Baillargeon who returned the opening kickoff 102 yards to set up a 12-0 win over Bowling Green. Bill Doser, Chuck Miller, Dave and

Russ Clark, and Ray Dombroski engineered the 50-27 clobbering of Eastern Illinois in 1951.

Jim Podoley displayed his electrifying talents as the Chips clipped Western Illinois in 1953 and Illinois Normal in 1956. In 1955, it was Bernie Raterink who

Today's Game

The battle for second place in the Interstate Conference seems likely to be settled today as Northern Illinois brings its potent Huskies to Alumni Field.

Northern, with a conference record identical to Central's 2-1 mark, dropped its only contest of the season last week—an 18-13 thriller to Western Illinois. Western, undefeated and in the IIAC driver's seat, is also the only conference team to conquer the Chips this year.

Today's battle for the runner-up position matches two squads which both boast of powerful offenses. Northern, 4-1 for the year, is averaging over 26 points per game, while the Chips have scored an average of 23 points in their six games.

Central's rushing game, hinged around Jerry O'Neil, Walt Beach, Al Bernardi, and Bob Kelley, gives the Chippewas an advantage on the ground. O'Neil rates as one of the league's top runners this year and the injured Beach is two-time IIAC rushing champion.

The primary source of the Huskies' attack is through the air where quarterback Lew Flinn pinpoints his receivers with alarming regularity. Ends Al Eck and Howie Fagan, along with stubby halfback Ron Hansen, have been Flinn's chief targets so far this year.

Central's air power is second only to that of Northern in conference play. Oarie Lemanski ably handles the Chip aerials with O'Neil and Beach doing the bulk of the receiving.

Joe Plaskas, NIU's fullback, tops the Huskies in both rushing and scoring. A hard runner up the middle and over tackle, Plaskas is currently averaging over six yards per carry.

Defensively, Northern's light, mobile line rates the advantage over Central's huge front wall. Tops among IIAC defensive teams, the Huskie unit has allowed five opponents only 54 points, and last week limited rugged Western to 18.

Today's game marks the 14th meeting of the two

squads. Central, which hasn't been beaten by Northern since 1951, owns a record of ten wins, two losses and one tie over the Huskies. Last year the Chips won 33-23.

The Northern Illinois University football coaching staff is, from left, Jack Pheanis, junior varsity; Howard Fletcher, head coach; Bob Brigham and Mark Dean, both assistant varsity coaches.

Comeback Huskies Eye Runner-Up Spot

Northern Illinois University, the surprise package of the Interstate Conference football race, has its sights set on at least a second place finish this year—and Central Michigan represents the largest obstacle in the Huskie drive to the top.

Northern, with Fletcher's three-year building program in full bloom, has come back into its own in the Interstate Conference football race.

Northern, one of the conference doormats for the past few seasons, roared off to an inspiring start this year as it ripped Wheaton 35-8, clipped North Central 26-7, edged Southern Illinois 20-15, and pounded Eastern Illinois 38-6.

Last week the Huskies' title hopes were dimmed as they dropped an 18-13 decision to unbeaten Western Illinois. They enter today's game with a 2-1 conference record — identical to that of Central.

With Western now practically a cinch for its second straight IIAC championship, Northern and Central are battling today for what could well be the runner-up position.

For the Huskies, being in the forefront of the conference race is a renewed experience. Not since 1951 have they taken an IIAC title, and last year they finished in a tie for fifth place with a 2-4 mark and a 4-5 overall record.

Coach Howard Fletcher's crew began to flex its muscles in the final two games of 1958. Northern clobbered Omaha University 41-0 and then pulled the IIAC upset of the season by beating Southern Illinois 17-7 in the final game of the year.

Back this year is a corps of 21 veterans which has already proved Northern a team to reckon with.

The Huskie backfield is led by quarterback Lew Flinn and fullback Joe Plaskas, both seniors. Flinn's passing was tops in the IIAC last year and one of the better small college marks in the nation. Plaskas, a hard-running 195 pounder, supplies the bulk of the ground power.

In Alan Eck and Howie Fagan, Northern has one of the best end combinations in the league, and
