

Dissertation/Doctoral Project Completion Approval Form

The final, defended, committee-approved document should be emailed to cgsthesis@cmich.edu

Student: _____ Email: _____ Student ID#: _____

Degree: _____ Program: _____

Graduation Mo/Yr: _____ Oral Defense Date: _____

Determine Document Type for formatting requirements (answer the question below):

Does your document consist of two or more journal articles (with you or your committee chair as first author) and have you already or will you submit your two articles for publication?

Result: Your document is a

Please note:

Your finalized document will be uploaded to the Library's publicly available Digital Collections.

I am requesting that the upload be delayed for 12-months because of publishing or a patent.

Document Title:

Committee Chair:

The *iThenticate* report of the final document (no track changes) must be attached here.

- Before running the report, ensure you have selected to filter only these 3 sections: bibliography, quoted text, cited text. You may only exclude prior drafts of the document. The overall similarity should never be 0%.
- We will return *iThenticate* reports with incorrect settings, or if the report has track changes.
- If the file is too large to attach, share access to the file with Kara Owens and Jennifer Schisa.

I certify by signing below, I have read this student's defended thesis, approved changes required by the Committee, confirmed the document has been checked for plagiarism using *iThenticate* with proper settings, checked for copyright issues, and recommend this document to CMU for acceptance.

Dissertation/Doctoral Project Completion Approval Form

Student Agreement:

You must initial each of the following statements prior to submission of the approval form.

I certify the version of my dissertation I emailed to Graduate Studies is my own original, independent, and ethically conducted work.

I certify the version of my dissertation I emailed to Graduate Studies is the same as that approved by my committee.

I certify that, with my Committee Chair, we submitted my document to *iThenticate* and reviewed the report. I examined all potential matches and made any needed improvements to avoid plagiarism and other ethical conflicts.

I certify that none of my work has been previously published; OR if I am including my own work that has already been published in a journal, book or any other third party publication, I certify I have contacted the publisher to ensure I have permission to include this work in my dissertation *and included the copyright permission in an Appendix*.

I certify that any third party works (material created by other people) included in my document fall under fair use; OR if they do not fall under fair use, I have obtained permission for use from the copyright holders *and included the copyright permissions in an Appendix*.
