Program directors or administrative support staff should contact the Payroll Office, taxes@cmich.edu or 774-1055 regarding stipends for international student participants. International CMU students participating in learning experiences are subject to the same tax and financial aid rules as CMU students. Housing and meal allowances are considered non-qualified scholarship and will be taxed accordingly. Please be aware that if tax payments are withheld from the intended stipends, the net amount may be less than anticipated. The Payroll Office will work with you to determine the tax implications and advise you on the proper stipend amount to request.
