FEATURED CME ACTIVITIES:

CMU Medical Education Partners – Faculty Development Lunch and Learn

Teacher-learner compacts: beyond frameworks, towards professionalism

Howard Bell, Ph.D., Assistant Dean of Foundational Sciences Education, CMU College of Medicine

Wednesday, June 7, 2023. 12:00p-1:00; [Online](#)

Contact: Nicole Wright at 989-774-7862

1.0 AMA PRA Category 1 Credit™

Course Description:

A one-hour interactive seminar titled: "Teacher-learner compacts: beyond frameworks, towards professionalism"

Promote faculty awareness of how to provide students with a safe learning environment and appropriate role modeling of professional behaviors.

CMU College of Medicine Multidisciplinary Grand Rounds

Understanding Board Certification as Part of Formal and Ongoing Professional Education

Elizabeth G Baxley, M.D., Executive Vice President, American Board of Family Medicine

June 15, 2023; 7:30a-8:30a; [Online](#)

Contact: CME Office at 989-746-7602

1.0 AMA PRA Category 1 Credit™

Course Description:

This is a presentation under the Regional Medicine Grand Rounds that is aimed at learning more about the purpose and role of board certification, during and after formal medical education, as well as understanding the components of certification and the process for maintaining certification throughout one's career. Additional information will cover the role of certifying organizations in setting educational standards as well as in conducting research about the specialty of family medicine.

CMU College of Medicine – GME Office; Ramping up in Academics Series

Faculty Wellness in Academic Medicine

Judy S. Blebea, M.D., Associate Dean, Faculty Affairs & Faculty Development, CMU College of Medicine

John Lowry, Ph.D., Director of Faculty Development, CMU College of Medicine

Lisa Killey, Human Resources Directory, CMU Health

Tuesday, June 27, 2023. 7:30a-8:30a; Hybrid meeting. CMED SEB 1008

Contact: GME Office at 989-746-7880

1.0 AMA PRA Category 1 Credit™

Course Description:

This course will focus on faculty wellness in academic medicine. We will review recent research on the occupational health of physicians in the US including the contributing factors to physician faculty burnout, discuss results from the Mayo Clinic Well-Being Index survey administered to Education Partner's faculty, describe wellness models and a framework for achieving improved wellness in the workplace, outline current organizational wellness resources for faculty and seek input to discover and plan for additional wellness programming.

SPECIAL TRAINING

PCSS Buprenorphine Training

Providers Clinical Support System (PCSS) pcss@aaap.org and the American Academy of Addiction Psychiatry

Friday, July 7, 2023 1:00 to 5:00 pm In Person Only -- CMED SEB 1008

The PCSS Buprenorphine Training Course covers all evidence-based practices and medications for treating patients with opioid use disorder.

Format: Initial 4 hours in-person in room 1008, located at the Saginaw Education Building, 1632 Stone Street, Saginaw, MI 48602.

Please register in advance at: SUD Training Portal Login and use invitation code: **WAIVER-183641-13461**.

For complete details, please see attached flyer. Instructions for how to claim CME credit will be provided at the training.

DO NOT CLAIM CME CREDIT from CMU College of Medicine Continuing Medical Education!

CME ONLINE - eLEARNING

A variety of online courses are available at [CMU CME ONLINE](#) or <https://bit.ly/2SVashw> to enhance physician lifelong learning.

The following courses required for licensing in Michigan are:

- [Human Trafficking Update 2022](#)
- [Ethics: Challenge & Opportunity of Genome Editing: Scientific & Ethical Considerations](#)
- [Pain Management: The Evolving Landscape of Treating Chronic Pain and Use Disorder](#)
- **Implicit Bias:** CMU Faculty and Residents – access available via [Blackboard](#)....Non-CMU Faculty and Residents – Available via [Amesite](#)

CME GENERAL INFORMATION

Credit for Teaching

CMU College of Medicine appreciates ALL that you do in teaching our residents and medical students! To ensure that you adequately obtain your Category 2 Credit for Teaching, all forms (2019 to 2023) and instructions are available on our website at med.cmich.edu/cmecert under **Category 2 Credit Forms**.

CME Credit and Certificate Process

To claim *AMA PRA Category 1 Credit™* go to [CLAIM CME CREDIT](#) or <https://bit.ly/3Bj2teP>

If you need assistance, please email CMEDCME@cmich.edu or call 989-746-7602.

Activities are available for 30 days post-event for claiming CME credit.

CME Comments and Suggestions

Your comments and suggestions about CME are always invited (and are very important to us!). They may be submitted at any time on our website at med.cmich.edu/cme under **Team Comments Suggestions**.

PCSS Buprenorphine Training

Friday, July 7, 2023 | 1:00 pm – 5:00 pm in-person 1008 SEB

AAAP is the Data Sponsor for this Buprenorphine Training. pcss@aaap.org

The PCSS Buprenorphine Training Course covers all evidence-based practices and medications for treating patients with opioid use disorder. Format: Initial 4 hours in-person in room 1008, located at the Saginaw Education Building, 1632 Stone Street, Saginaw, MI 48602. Please register in advance at: [SUD Training Portal Login](#) and use invitation code: WAIVER-183641-13461.

All Participants are required to complete an additional 4 hours of training online through the PCSS SUD training portal within 90 days of completing the live session. *This PCSS training (4 hrs in-person/4 hrs online) also meets the new 8-hour Drug Enforcement Administration (DEA) requirement!*

John Hopper, MD, DFASAM, FAAP, FACP

Bernard Noveloso, MD, FAAFP

Juliette Perzhinsky, MD, MSc, FACP, FASAM

At the conclusion of this activity participants should be able to:

- Screen and identify patients with OUD and define evidence-based treatments.
- Discuss the pharmacology of opioids as it relates to treatment of opioid use disorder (OUD) patients.
- Describe the fundamentals of office-based opioid treatment including the treatment of the co-morbid patient.
- Explain the process of buprenorphine induction as well as stabilization and maintenance.
- Discuss all FDA approved antagonist and agonist medications to treat OUD.
- Discuss basic office protocols including medical record documentation and confidentiality.
- Utilize evidence-based resources to ensure providers have the confidence to prescribe buprenorphine for patients with OUD.

Joint Accreditation Statement: In support of improving patient care, this activity has been planned and implemented by the American Academy of Addiction Psychiatry and Central Michigan University College of Medicine. American Academy of Addiction Psychiatry is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC) to provide continuing education for the healthcare team.
