

2023 Scholarships - Business Information Systems Department

IS Endowed Student Award

This scholarship was established in 1999 by the faculty of the BIS Department and is awarded annually.

- Undergraduate or graduate IS majors
- Minimum GPA of 3.0 overall and in IS courses

Wells Cook Endowment

This scholarship honors Dr. Wells Cook, former Business Teacher Education professor. The Wells Cook Endowment was established in 2005 through donations from family, friends and alumni.

- Major within the Business Information Systems Department
- GPA of 3.0 or higher overall

Diehl Award in Business Information Systems

This scholarship was established by Edna Diehl, a former secondary teacher and counselor for many years. The scholarship was established in March 2007.

- Major within the Business Information Systems Department preferred
- GPA of 3.0 or higher overall

Deloitte, LLP Award

Students must be a sophomore or junior and admitted to the College of Business Administration.

- Information Systems major with SAP concentration
- GPA of 3.3 or higher overall

Damon P. Lindley Achievement Award

Students must be a senior in their graduating year and admitted to the College of Business Administration.

- The award will be given for their FINAL semester.

Stephen and Elisa Tracy Annual Award

Students must be enrolled in the College of Business Administration with a record of academic excellence.

- Information Systems major
- GPA of 3.0 or higher overall
- Student must have filed FAFSA and have been approved to receive aid
- Award is to be \$1,500 annually or \$750 per semester
- In the event that the student is graduating in December, the award will be limited to \$750 total
- The award is renewable, but must be applied for annually

Lillian Winsor Memorial Scholarship

This scholarship is awarded to students with business majors, IS preferred, with a variable number of students and award amounts. Students must meet the following criteria:

- Must be employed, i.e. 10-12 hours per week in academic year
- GPA will be reviewed but a minimum is not established
- Information Systems major preferred
- Involvement in extracurricular activities, community involvement, experience in business and membership in organizations.

Please be advised:

- Scholarships are not automatically renewable. Students who receive a scholarship should be advised that there is no guarantee they will receive the scholarship in subsequent years. Students must reapply for scholarships each year.
- Some scholarship awards are designated for students with specific majors. In these cases, students who change their major may be ineligible for previously awarded scholarship funds.

2023 BIS Department Scholarship Application

To qualify for any of these awards, you must be enrolled as a full-time student for the semester awarded. Unless otherwise stated, all scholarships will be awarded for fall 2023/spring 2024.

1. Complete the form below.
2. Attach your résumé and CMU academic history.

Please submit your complete application to Cindy Howard in Grawn 266 or email howar3cl@cmich.edu by 4:30 pm on Wednesday, March 15, 2023. Scholarship recipients will be notified on or before Friday, April 14, 2023, by email. No late applications will be accepted.

Over \$10,000 in scholarships were awarded last year!
