

Site Solicitation Policy

APPLIES TO: Prospective and Current CMU PA Students

DATE OF REVISION: June 5, 2024

BACKGROUND: In accordance with ARC-PA standard A3.03: *The program must define, publish, make readily available and consistently apply a policy for prospective and enrolled students that they must not be required to provide or solicit clinical sites or preceptors.*

PURPOSE: To ensure that the CMU PA Program is compliant with standard A3.03, there is a specific policy regarding students not being to provide or solicit clinical sites or preceptors.

POLICY: Central Michigan University PA students, both prospective and enrolled, are explicitly prohibited from seeking out clinical sites and/or preceptors of their own volition. It is the clinical placement coordinator and clinical team members that oversee contacting sites and solidifying clinical site placements and preceptors. Students may bring contact information to the clinical team but may not reach out to sites or preceptors on their own.

Approved by Program Faculty on June 7, 2024, reviewed by Clinical Committee on July 18, 2025
