

HST 400 Application Form

Note: Placement in HST 400 is limited. Priority will be given to students who are in the semester before they student teach. If you are seeking an exception to this, please attach an explanation of your circumstance.

This form is for both Fall 2023 and Spring 2024.

HST 400 prerequisites: Admission to Teacher Education; 18 hours of history, or current enrollment in 18th hour; 3.0 GPA in history major or minor or elementary social studies major (History concentration).

- If you are not a History education major or minor, please attach a note explaining why you are requesting to register for this course.
- Have you been admitted to the School of Education? Students not yet admitted to the School of Education may not register for HST 400.
- Will your history major or minor be at least 75% complete by the end of the semester for which you wish to register? You must have completed at least 75% of these requirements to be eligible to student teach.
- Note: Do not use transfer grades when computing your GPA. The department gives credit for the hours taken, but the grade does not count in your HST GPA. Only courses on your signed History Major, History Minor, or Social Studies Major (History Concentration, K-8) should be used in computing your HST GPA.

Please complete this form and email it to davis1ak@cmich.edu by Friday, February 17, 2023. You will receive email confirmation if you have been approved to register for this course. **Do not register for HST 400 before you receive approval.**
