CENTRAL MICHIGAN UNIVERSITY

## Thank you for scheduling a group visit!

**Please read the following carefully:**

- The CMU Museum serves as a laboratory for CMU students enrolled in the Museum Studies program. Therefore, programs may be led by trained students in the process of learning. Your patience and understanding is appreciated.
- **Arrange for chaperones.** The university requires at least 1 adult per 10 minors on campus. Assign chaperones to groups of students ahead of time unless you have discussed alternatives/exceptions with CMU Museum staff.
- **Share** group parking instructions/map with your bus driver(s), teachers, and chaperones. Guest parking passes are available for up to **five** museum visitors but registration of vehicles must occur **before** the scheduled visit. Contact the educator before the scheduled program if you would like a guest pass. To register and pay for your own pass (\$5) visit [parking.cmich.edu](http://parking.cmich.edu) or call, 989-774-3083. Permits are virtual and connected to the license plate so when parking, the plate must be visible.
  - Rowe Hall (Main museum):
    - Cars park in **Lot 14**
    - Buses can unload in the lot but only park in Lots 62W or 62E (see map).
  - Bohannon Schoolhouse:
    - Cars can park in **LOT 22**
    - Buses pull over next to schoolhouse to unload + park in Lots 62W or 62E (see map).
- Bus reimbursement for schools: Limited funds available so please ask the educator for guidelines/availability.

**Program cost: Suggested donation of \$0.50 per student and \$1.00 per adult.  
Checks can be made out to Central Michigan University Museum.**

Running 15 minutes or more behind? Please call 989-774-3829.
