

## School of Politics, Society, Justice and Public Service Study Abroad Grant

An international experience is an invaluable part of a student's education and will provide an international perspective which cannot be fully recreated within the classroom. To promote international study, The School of Politics, Society, Justice and Public Service created a small fund to assist students with costs related to study abroad. Please note that the maximum award amount is \$100 and is dependent upon the amount of funding available.

### *Funding Criteria:*

- Full-time CMU undergraduate or graduate student at the time of application
- Approved through the Office of International Education
- U.S. citizen or permanent resident
- At the time of study abroad, undergraduate students must reach sophomore standing or above with a signed major or minor in The School of Politics, Society, Justice and Public Service.  
Graduate students must complete a minimum of one semester of study within the MPA Program.

### *Application Process:*

- Applicants must submit a one-page narrative describing the educational and professional relevance of the trip; include detailed information regarding any clinical, field, research, or internship opportunities.
- Submit a budget with anticipated expenses; include tuition, room & board, airfare and other related expenses. Include any other sources of funding for this trip. Clearly indicate the amount of funding you are requesting from The School of Politics, Society, Justice and Public Service.
- You must provide evidence that your educational trip has been approved by the CMU Study Abroad Office

All applicants must first apply for travel funding from the College of Liberal Arts & Social Sciences, the Graduate College, or the Study Abroad Office. Applicants must submit evidence that they have applied for funding from these sources, or submit evidence that funding from these sources is not available.

**Requests will be accepted at The School of Politics, Society, Justice and Public Service Office, Anspach 142 or email it to [SPSJPS@cmich.edu](mailto:SPSJPS@cmich.edu). We recommend that all requests be submitted as soon as possible; funding is limited and will be awarded as funds permit.**

Students will be permitted to receive support for one conference presentation and one study abroad grant for the duration of their program.
