7. Educational Background:

If attaching vita/resume, please check box below.

See attached vita/resume. *For questions 8 through 12, only complete sections if information is not included on vita/resume.*

8. List all undergraduate, graduate, and professional schools attended in chronological order beginning with the most recent. (Attach a separate sheet if necessary.)

Institution (Location)	Dates Attended		GPA	Minor(s)	Degree granted or expected with date
	From	To			

9. List any awards or academic honors (including assistantships) you received since graduation from high school.

10. List any creative endeavors in which you have engaged (research, publications, grants, papers presented, inventions patented, works of art, etc.).

11. List any professional associations and membership status.

12. Employment

a. List in order all jobs since high school starting with the most recent.

Description	Dates (Month, Year)		Full-Time, Part-Time, Summer Only
	From	To	

b. List special skills or competencies of a non-psychological nature.

13. Personal Summary (required). Attach a maximum of five pages (8 1/2 X 11 paper, double spaced with one-inch margins) describing your major life experiences, your career objectives, and what issues you would like to explore in psychology as a student. Include description of research experience related to Experimental Psychology.

14. List three individuals submitting letters of recommendation to the Admissions Committee. (If you have had supervised experience related to Experimental psychology, it would be appropriate to request that your supervisors submit letters of recommendation. At least some letters, however, should come from college instructors, if possible). Include name, title, and email address of each individual.

1) Name and Title _____

Email _____

2) Name and Title _____

Email _____

3) Name and Title _____

Email _____

Final Statement: Please check the box if you agree:

The materials in this document are true and correct to the best of my knowledge. The falsification of any part, including omission, is grounds for dismissal or rejection. I understand that all submitted material becomes the property of CMU and is not returnable. I also understand that this document becomes part of the Department of Psychology file and is accessible to administrators and designated persons. I understand and agree that as a CMU applicant and potential student, I am subject to the policies, procedures, and regulations of the University.
