

498 UNDERGRADUATE HONORS THESIS IN PSYCHOLOGY

The student, with guidance from two faculty sponsors, researches and writes an undergraduate thesis. Prerequisites: PSY 211, 285, and 385 with a grade of B or better in each; overall GPA of 3.00.

In addition to this form, students who are using the thesis as an Honors or Centralis senior project must complete the proposal form provided by the Honors Program office. Completed forms should be submitted for approval to the Honors Program the semester before the student completes the thesis. Honors and Centralis students may sign up for an additional 3 credit hours through HON 499 (Senior Project) to complete a substantial project. (*3 Credit Hours*)

Directions: This form provides a contract for the student regarding what is expected. The project summary defines the topic and content, and the project outcomes defines the nature of the final product on which the grade will be based (e.g., paper of a certain length). The student should complete the form with their faculty sponsor. Once completed, go to Course Search & Registration and register for PSY 498. You will need to Ask for an Exception. Once the Psychology Department receives your request, they will register you for the course.
