

**CHEMISTRY & BIOCHEMISTRY SCHOLARSHIP
APPLICATION Due 5 pm MONDAY May 3, 2021**

Name: _____ Email: _____ @cmich.edu

Phone: _____

What is your major? _____ Second major? _____

What is your minor? _____ Second minor? _____

NOTE: If you are selected for a scholarship you must have a signed biochemistry or chemistry major to receive the award.

Number of credits earned as of Jan. this year: _____

Number of CMU credits earned as of Jan. this year: _____

How many semesters have you been in attendance at CMU: _____

Overall GPA: _____

Chemistry core GPA (CMU and non-CMU credits): _____

Check the appropriate box for the following:

Are you planning to attend CMU for the entire 2021-22 academic year? ☐ Yes ☐ No

Will you be full time for at least 1 of those semesters? ☐ Yes ☐ No

Do you plan on going into graduate school? ☐ Yes ☐ No

Do you plan on going into professional school (Medical, PA, dental, pharmacy, etc.)? ☐ Yes ☐ No

Are you going into science education? ☐ Yes ☐ No

Are you a US citizen? ☐ Yes ☐ No

Are you a Centralis Scholar? (You are subject to eligibility restrictions) ☐ Yes ☐ No

IF Yes, please contact the OFFICE OF SCHOLARSHIPS AND
FINANCIAL AID at 989.774.3674 to discuss your scholarship
eligibility.

Please provide a description of your future career plans in 150 words or less:

Please provide a description of why you chose your major(s) and minor(s) in 150 words or less:

Scholarships available in the Department of Chemistry and Biochemistry

Please check the box for all scholarships for which you are eligible and wish to be considered. Each has unique criteria listed in the description. Some require additional information. Incomplete applications may be removed from consideration at the discretion of the Chemistry and Biochemistry Department.

NOTE: If you apply for scholarships for which you do not meet the criteria, you risk being eliminated for consideration for all scholarships.

☐ *Shirley Larzelere Viele Scholarship –*

- Undergraduate or graduate chemistry major in secondary education
- Merit based
- Campus activity involvement, i.e. American Chemical Society, intramural sports, etc. (please provide a statement describing your involvement in 150 words or less)

- Financial need (please provide a statement describing your financial need in 150 words or less)

☐ *Max. A May Endowed Scholarship in Chemistry –*

- GPA 2.5 or greater
- Junior or senior chemistry or biochemistry major
- 1 time repeat eligibility
- A rural/farming background (please provide a statement describing your background in 150 words or less)

☐ *Vicky Cobb Endowed Scholarship –*

- GPA 3.25 or greater
 - Chemistry or biochemistry major
 - Repeat eligibility
 - From Central Michigan area (Mason, Lake, Osceola, Gladwin, Arenac, Oceana, Newaygo, Mecosta, Isabella, Bay, Montcalm, Gratiot, Shiawassee or Saginaw County) residents (please provide your permanent address here)
-
- Financial need (please provide a statement describing your financial need in 150 words or less)
-
-
-
-
-
-
-
-
-
-
- A preference for student(s) committed to addressing the underrepresentation of women in STEM disciplines and demonstrated commitment through his or her service, including leadership (please provide a statement describing your commitment and leadership in 150 words or less)

☐ *Michael J. and Susan P. Farrell Endowed Scholarship in Science Education –*

- Science education major
- GPA 2.75 or greater
- 4 time repeat eligibility

☐ *Fran and Jim Falender Endowed Scholarship in Chemistry –*

- Chemistry major or cross disciplinary program involving chemistry
- Repeat eligibility

☐ *Howell Scholarship in the Chemical Sciences –*

- Sophomore, junior, or senior
- Chemistry career aspirations, including chemical engineering, polymer science, materials science, or related areas
- Repeat eligibility
- Potential to significant contribution to the chemical sciences and undergraduate research experience (please provide a statement describing your potential and research experience in 150 words or less)

☐ *Wendell and Marcia Dilling Chemistry Endowed Scholarship –*

- Chemistry or biochemistry major
- GPA 3.0 or greater
- 1 time repeat eligibility

☐ *Dr. Barbara Leiting-O'Connell Family Endowed Scholarship –*

- GPA 3.25 or greater
- Chemistry major (top choice) with consideration for majors in physics or math
- Special consideration given for graduate school aspirations
- Repeat eligibility
- Demonstrated financial need (please provide a statement describing your financial need in 150 words or less)

☐ *Chemistry Department Scholarship –*

- Chemistry or biochemistry major
- Repeat eligibility

☐ *Robert E. and Cordelia B. Kohrman Scholarship –*

- Junior chemistry or biochemistry major
- GPA 3.20 or greater
- 2 time repeat eligibility
- Demonstrated outstanding performance in organic chemistry (please list your organic chemistry instructors, grades earned, and any relevant experience)

☐ *Paul David Cratin Physical Chemistry Graduate Student Endowed Award –*

- Chemistry graduate student
- Must be pursuing MS degree in an area related to physical chemistry (provide a statement describing how your graduate studies are related to physical chemistry in 150 words or less)

☐ *Malcolm H. Filson Endowed Scholarship –*

- Sophomore chemistry major (biochemistry majors will be considered)
- GPA 3.0 or greater

☐ *Joan H. Rogers Endowed Award –*

- GPA 3.0 or greater
- Chemistry career aspirations also including teaching, medicine, or health related
- 2 time repeat eligibility

☐ *Mary Jane Merrill Scholarship –*

- GPA 3.0 or greater
- Second semester junior or senior chemistry major
- Michigan resident, VERY strong preference given to Midland or Isabella county residents (please provide your permanent address here)

☐ *Philip J. Squattrito Scholarship –*

- Undergraduate signed Chemistry major
- GPA 3.0 or greater AND a 3.0 or greater in Chemistry classes
- Minimum of 8 credit hours of Chemistry

☐ *Timothy Burdon Endowed Chemistry Award –*

- Junior or higher student majoring in Chemistry
- GPA 3.0 or greater
- Michigan resident, VERY strong preference given to Midland county residents (please provide your permanent address here)

☐ *Frank and Virjean Johnson Endowed Scholarship –*

- GPA 3.5 or greater
- Award split between Chemistry, Biology, & Physics Departments (each year)
 - ☐ Chemistry or biochemistry major (even years)
 - ☐ Science education major with a major or minor in chemistry (odd years)

----- the following scholarships are awarded intermittently by the Chemistry/Biochemistry Dept. -----

☐ *Dr. Frederick C. and Lois M. Kabbe Scholarship –*

- Chemistry or biochemistry major (award odd years)
- Math Department (award even years)
- Multiple awards available
- GPA 3.0 or greater
- Repeat eligibility
- Part or full time single parent or a student from a single parent household who graduated from an Isabella or contagious county high school (please provide a statement explaining your special consideration in 150 words or less)

☐ *Greg and Antoinette Rickle Endowed Scholarship –*

- Chemistry or biochemistry major (award even years)
- Awarded by the Anthropology Department (odd years)
- GPA 3.0 or greater
- Demonstrated financial need (please provide a statement describing your financial need in 150 words or less)

Full consideration will be given to applications received before 4 pm on the due date. Please submit by email (chem@cmich.edu) or a hard copy to the Department of Chemistry and Biochemistry Office (Dow 268).
