

## Scholarship Reference Form

**Important Note:** *Per FERPA policy, it is only permissible to include the name/information of the student for which you are writing the recommendation. For example, it is permissible to say: "Sally Jones ranked #2 in a group of ten students." However, it is not permissible to include the names or identifying information of the other students in the group.*

**Email references by February 24, 2024 to math@cmich.edu. References received through the students will not be considered**

Student's Name: \_\_\_\_\_

Your Name: \_\_\_\_\_

- How well and in what capacity do you know the student listed above?
- For the student listed above, please rank them on the following attributes, where  
 "1" = Excellent, "3" = Average, "5" = Very Poor.  
 "2" = Good, "4" = Poor,

Work ethic	Mathematical interest	Performance on class work	Expectation of future performance

- If there is any further information you would like to share about the student above, then please do so in the space below. We often have many very well-qualified students and we rely on your insight to award the most deserving students. (There is no need for a formal letter of support; the comments you provide below will suffice.)
