All HOME football performances are indicated in **CAPITAL LETTERS**. Other performances are indicated with *italics*. We will not likely have performances on September 3 or 24, October 1, 15, or 29, or any weekend in November. We will rehearse on almost all Fridays through the season. We will not rehearse on Friday, September 2, on Labor Day, or during the Fall Wellness Break. We will **LIKELY** not rehearse on Wednesday November 23. The December 3 MAC Championship Game Day prep will depend on when kick-off is set by ESPN. The MAC will participate in as many as **FIVE** or **MORE** bowl games. Our involvement, pending an invitation, funding, and our availability, is TBA. Coach McElwain intends to advance to post season again this year! Make plans to play for the Championship and another exciting trip a Bowl!
