YOUR CENTRAL MOBILE ID

Your Central ID Card...now on your iPhone, Apple Watch and Android phones!

The new **Central Mobile ID** is available to all enrolled students and current employees. Tap your iPhone, Apple Watch or Android phone at readers across campus to conveniently access your Central ID. Add your Central ID card either to one iPhone and one Apple Watch, or one Android phone. A complete list of services can be found at the end of this document.

Mobile ID Requirements	
iPhone	iPhone SE, iPhone 6s or later
	iOS 12 or later
Apple Watch	Apple Watch Series 1 or later
	Watch OS 5 or later
Apple ID	Signed into iCloud. If two devices are used, both must be signed into same iCloud account.
Android Phone	Version 6.0 or later; NFC enabled device capable of supporting Google Pay.
eAccounts Mobile App	Loaded from Apple App Store or Google Play stores by searching Transact eAccounts

Getting Started

Minimal set up is required to use your Central Mobile ID. Most users can begin using their Central Mobile ID on their phone in minutes. An approved photo is required prior to uploading the app. If you have not submitted a photo, please go to it.cmich.edu/onlinephotosubmission. Enter your cmich login.

Photo Submission/Preparation

1. Once you have received your Central Michigan University global ID and set your password, please submit your photo to be displayed on your Central Mobile ID:

Please review our photo requirements at it.cmich.edu/onlinephotosubmission and upload your photo for your Central Mobile ID. Photos will be approved within five business days.

2. If you haven't done so already, set up your global ID and password and multi-factor authentication login at cmich.teamdynamix.com.

Set-up for iPhone and Apple Watch Users

Setting Up Mobile ID on iPhone or Apple Watch

1. Download the **Transact eAccounts Mobile app** from the **App Store** to your phone.
2. Open **Transact eAccounts**. Click through the startup screens and tap **Get Started**.
3. Search for **Central Michigan University** and click through to the **Central Mobile ID login screen**.
4. Enter your **CMU global ID and password** to authenticate your device. If you have not set up your CMU global ID and password, please go to it.cmich.edu/onlinephotosubmission.
5. Once you have successfully authenticated in eAccounts, click the **Add to Apple Wallet** button to add your Central Mobile ID to Apple Wallet. You can add your student ID to one iPhone and one Apple Watch.

- a) Click **iPhone** and continue through the prompts (Next, **Agree** to Terms & Conditions).
- b) When the process is complete, the app will send a notification to verify your Central Mobile ID has been added to Wallet.
- c) Tap **Done** in the upper right corner to return to the Home screen of the app.
- d) You can now add your Apple Watch using the same process.

Adding Your Mobile ID to Apple Wallet on a Second Device

1. Repeat steps 1-5 to login to the **Transact eAccounts Mobile App**.
2. Ensure your second device is signed into the same iCloud account as the first device.
3. From the Campus ID screen in Transact eAccounts, tap the ⓘ in the upper right corner of your Transact Mobile Credential display.
4. Tap **Add or Remove Campus ID from Wallet**.
5. Choose your **second device** to add your Transact Mobile Credential.
6. On the **Add Card to Wallet** screen, tap **Next** in the upper right corner.
7. Follow the onscreen instructions to complete adding your card.

Using Mobile ID on Your iPhone

Your iPhone or Apple Watch must be turned on, but it does not have to be connected to a network. For iPhones 6S, iPhone 6S Plus and later, Express Mode allows you to use your Central Mobile ID without unlocking the device with a passcode, Touch ID, or Face ID. Just tap your device against the reader to recognize your Central Mobile ID. On iPhone XS, XS Max, and XR Express Mode with power reserve is available for up to five hours after the device's battery needs to be charged.

- To display your Central Mobile ID, open Apple Wallet and select your Central ID from your saved cards.

- To add funds to your accounts in the Transact eAccounts app, first save a payment method at the Transact eAccounts website at it.cmich.edu/transacteaccount for Transact eAccounts.
 - Make a deposit via your desktop or mobile browser.
 - After completing the deposit, there will be an option to save your credit card information.
 - Once you have added the card information on the Transact eAccounts website, that card will be available in the Transact eAccounts app for future deposits. If you have already used Transact eAccounts to access your Central Mobile ID, you will need to sign out and back in to update the saved payment information.

Set-up for Android Users

Setting Up Mobile ID on Android

1. **Enable NFC** on your phone in your **Settings** menu. NFC settings can be found in different areas of the **Settings** menu, depending on your device. A common location is **Connected Devices>Connection Settings**. (If not found there, use the **Search** option on the top right to double check.)
2. Toggle the **NFC** setting to On.
3. Open **Google Pay** and make sure it is enabled as the default payment application. If the app prompts you to add a credit card, you can bypass that screen and return to the **Google Pay** home screen.
4. Download the **Transact eAccounts Mobile app** from the **Google Play Store** to your phone.
5. Open **Transact eAccounts**, click through the startup screens and tap **Get Started**.
6. Search for **Central Michigan University** and click through to the **Central Mobile ID login** screen.
7. Enter your **CMU global Id and password** to authenticate your device. If you have not set up your global ID and password, please go to cmich.teamdynamix.com.

8. Once you have successfully authenticated in eAccounts, click the **Add to Google Pay** button to add your Central Mobile ID to Google Pay.
 - a) Continue through the prompts (Next, **Accept** the Central Michigan University Terms & Conditions).
 - b) Next, **Accept** the Google Pay Terms of Service.
 - c) The next screen will confirm that the ID has been added to Google Pay.

Using Mobile ID on Android

- You do not need to unlock your phone, but the screen must be awake to use your Central ID. Tap the power button to wake the screen and tap your phone against the reader. Note, the antenna location may vary by device, although it is often in the middle of the phone. As a result, you may have to adjust the orientation of your phone against the reader to have your mobile credential recognized.
- To display your Central ID, open the **Transact eAccounts app** and select the **View in Google Pay** icon.
- To add funds to your accounts in the Transact eAccounts app, first save a payment method at the Transact eAccounts website: it.cmich.edu/transactaccount.
 - Make a deposit via your desktop or mobile browser.
 - After completing the deposit, there will be an option to save your credit card information.
 - Once you have added the card information on the Transact eAccounts website, that card will be available in the Transact eAccounts app for future deposits. If you have already used Transact eAccounts to access your Central Mobile ID, you will need to sign out and back in to update the saved payment information.

Contact information for the CentralCard Office is also available from the Central ID menu in Google Pay.

I already have the Transact eAccounts mobile app installed. Do I need to update?

Yes, you will need to install the updated version of the Transact eAccounts mobile app.

How do I update the Transact eAccounts mobile app?

On your device, visit the App Store or Google Play Store and search Transact eAccounts. The store will prompt you to install any required updates.

How many devices can I add?

You can add either one iPhone and one Apple Watch, or one Android phone on your account. See the 'Securing My Account' section below if you have lost a device and need to deactivate your credential.

How do I add my Central Mobile ID to my new iPhone or Apple Watch?

First remove the pass from your old device from Apple Wallet. Once removed, go to the e-accounts app on your new iPhone and follow the steps to add to Apple Wallet.

Managing Your Account

Do I need to reactivate my devices each term?

No. As long as your enrollment status meets our eligibility requirements, devices you have enrolled will remain current. For security purposes, we may deactivate devices that have not been used for an extended period. You can re-enroll those devices whenever you wish.

What if I am away from campus for the semester, and I don't want my Central Mobile ID on my device? Can I delete and re-add it later?

Yes, you can remove your credential from Apple Wallet and re-add it when you return.*

To remove your Central Mobile ID, navigate to the Wallet app, tap (...) in the lower right corner of your card and select **Remove Card**.

To remove your Apple Watch credential, navigate to the Watch app on your Phone, scroll to the bottom and select **Wallet & Apple Pay**. Tap on **your Central Mobile ID**, scroll to the bottom, and select **Remove Card**.

*To add credentials back onto your device, you must meet eligibility requirements and not have exceeded the device limit for your Central Mobile ID.

Can I delete my Central Mobile ID from Apple Wallet or Google Pay through the Transact eAccounts mobile app?

Yes, but we recommend the Remove Card Option directly from Apple Wallet or Google Pay.

From iPhone:

1. Navigate to the **Wallet app**.
2. Tap (...) in the lower right corner of your card.
3. Scroll to the bottom and select **Remove Card**.
4. Eligible cardholders who have not exceeded their device limit can add their Mobile ID back at any time.

9. Tap on the **Remove Card notification** at the top of the screen or go to Google Pay and tap **Remove Card** displayed under the School ID Card.
10. Tap **Remove** in the pop-up box and the card will be removed from your Google Pay.

How do I update information on my Central Mobile ID?

Name information on the Central Mobile ID comes to us from the university's core business systems and needs to be updated there. Students, faculty, and staff should contact the Registrar's Office. Once changes are completed, the updates will sync to the Central Mobile ID on your phone within 48 hours.

Why are my account balance(s) not displaying?

- Account balances are currently only displayed on Apple devices.
- If your account balances are \$0, they will not display until funds are added.
- If you have available funds that are not displaying, please contact the CentralCard Office at 989-774-384 or email centralcard@cmich.edu.

My balance is different on my device than in Transact eAccounts?

Confirm your device is not in Airplane Mode or experiencing any other service interruption. Updates cannot be made when there is no connecting service to sync data between Transact eAccounts and your device. The Transact eAccounts app will display the most current information.

Why do I have a negative balance on my Flex Dollar account?

A negative balance can occur if you make a transaction when a retail device is offline. When the device comes back online and the transaction is posted, you will see a negative balance if there are not enough funds in your account to cover the transaction.

I used my credit card at a participating retail location when I meant to use my Central Mobile ID. What can I do to correct my payment source?

Return to the location of the sale and request the store issue a credit card refund, then process the transaction against your Central Mobile ID.

I am graduating or leaving the University. What happens to my Mobile ID?

Your Central Mobile ID will become inactive when you no longer meet eligibility requirements. If you transfer to another participating program or department at Central Michigan University, your credential will stay active and update accordingly.

Securing Your Account

What should I do if I lose my card or device, or if I believe there has been fraudulent use of my credential?

- Log into Transact eAccounts at it.cmich.edu/transacteaccount to deactivate your card or device. Or during regular business hours, contact the CentralCard Office at 989-774-3484. Be sure to specify whether the physical ID card, watch, and/or mobile ID should be deactivated. Any device not specified to be suspended will remain active.

- If applicable, identify the fraudulent activity: For purchases using Flex Dollars, contact the CentralCard Office via email centralcard@cmich.edu and report the suspected fraud. If door access was involved, contact the Help Desk at 989-774-3662.
- In the Transact eAccounts app:
 - Click the settings gear in the upper right corner.
 - Select the Card Management option.
 - Choose the credential you want to deactivate and toggle it off.
 - You will receive a confirmation email. Only the selected card will be deactivated. All other credentials will remain active.
- In the Transact eAccounts web version:
 - Select Card Services
 - Select Deactivate Card
 - Select the credential to deactivate and click on “Deactivate Card”
 - You will receive a confirmation email. Only the selected card will be deactivated. All other credentials will remain active.
- Additional instructions for Lost/Found Apple devices and Find My iPhone are located at <https://support.apple.com/en-us/HT201472>

How do I reactivate my credential if I find my lost device?

To reactivate a found device that was suspended, perform the following steps:

In the Transact eAccounts App:

- Click the settings gear in the upper right corner.
- Select the Card Management option.
- Choose the credential you want to reactivate and toggle it on.
- You will receive a confirmation email. Only the selected card will be reactivated.

In the Transact eAccounts Web Version:

- Select Card Services
- Select Activate Card
- Select the credential to reactivate
- You will receive a confirmation email. Only the selected card will be reactivated.
