EMERGENCY GUIDELINE QUICK CHART

DOW SCIENCE BUILDING

**FIRE**
- Activate the nearest fire alarm.
- Immediately exit the building, closing doors between you and the fire.
- Meet at the Rally Point: Open area between Pearce and Anspach Halls.
- When you are in a safe place, call 911 to contact CMU Police.
- Notify Police/Fire if you know of people trapped in the building.
- Remain outside until instructed otherwise by Police/Fire.

**HAZARDOUS MATERIALS**
Emergency Building Coordinators or building administrators will advise and assist you in the event of a hazardous materials emergency. If it becomes necessary to evacuate the building, you will be instructed which routes and exits from the building to use and where the safest Rally Point will be.
- If the emergency requires you to stay in the building you may be instructed to:
  1. Close and seal off all exterior doors and windows.
  2. Shut off any room air sources like window air conditioners or furnace hoods.
  3. Remain in the building until advised of further action.
  4. Be prepared to move to a safe area in the building or to eventually evacuate.

**BUILDING EVACUATION PROCEDURES**
- Pull the Fire Alarm.
- Take your personal belongings (if time permits).
- Do not use the elevators.
- Leave the building.
- Meet at the Rally Point located at: Open area between Pearce and Anspach Halls.
- Follow the directions of CMU Police or Mt. Pleasant Fire Department.

**FOR ANY EMERGENCY CALL 911**
That includes: fire, explosions, leaks and spills of hazardous materials, bomb threats, suspicious letters or packages, civil disorder, life threatening injuries, life safety issues, a tornado sighting, or a crime in progress (which could include physical/verbal assault or theft).

**HAZARDOUS MATERIALS**
- Record the date and time.
- Record where the call came from (off campus/on campus).
- Write down exactly what was said.
- Note the gender and age of the caller.
- Listen for any background noises, such as music, children, traffic, etc.

**WEATHER EMERGENCY**
Emergency announcements may come through: classroom phones, Central Alert, county sirens (exterior only), NOAA Weather Radios, and TV/Internet.

**TORNADO WATCH**
- Conditions are favorable for a tornado to develop.
- Be prepared to evacuate to a shelter area.
