*** Rate applies to all users of the station whose purpose for utilizing the Biological Station is outside the Biological Station's mission.

The maximum charge for a faculty/staff unit or cabin will be two times the per person room and board charge plus the board charge for any additional guests staying in the unit above the first two persons paying the full room and board rate.

A discount on room rates for students and mission aligned purpose rate is available for stays reserved prior to April 1. Reasonable modification of a discounted reservation is allowed.

1st cancellation of a reservation results in disqualification of eligibility for discounted rates

2nd cancellation of a reservation disqualifies one to make further reservations.
