Tyga-Box Unpack Direct From Dolly

Never Lift A Box Unless It's Empty

1. Open top box and remove contents while still on the stack.
2. Remove top box from stack after it's empty.
3. Repeat steps 1 & 2 until all boxes have been emptied and removed from stack -- Never Lift A Box Unless It's Empty.
4. Suggestion: For safety, load into file cabinet from bottom drawer up not from top drawer down.
5. Please Remove labels from Tyga-Boxes as you unpack.
6. Return file rails to their storage compartments on lid.
7. Return timely to avoid late return charges.
8. Ecological
 - . no trees cut down
 - . no waste created.
