

Manage your health care anytime, anywhere

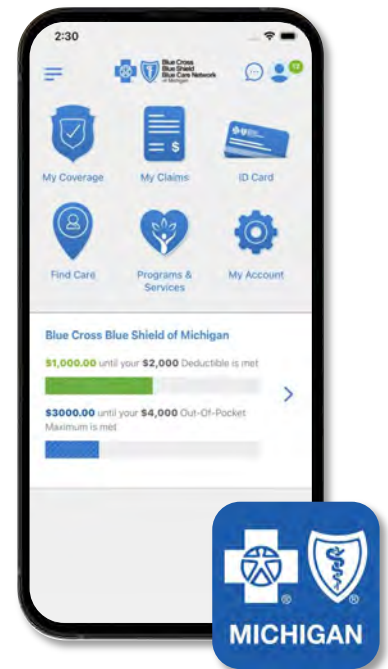

Blue Cross Blue Shield of Michigan (BCBSM) makes it easy to take charge of your health and well-being when registering for an online account. You will have access to tools and information that will help you understand your plan and make informed choices about your care.

Register for a BCBSM Member Account*

To register, visit bcbsm.com/register or download the BCBSM mobile app. You will need the last four digits of your Social Security Number to register.

With a BCBSM member account, you can:

- Check your deductible and out-of-pocket balances
- Review your plan's benefits and see what's covered
- View your claims and explanation of benefits (EOB) statements
- Search for doctors, hospitals, and specialists
- Compare costs for health care services
- View your virtual medical ID card
- Receive real-time notifications for your prior authorization or referral requests

Go Mobile

Conveniently access your BCBSM account from any mobile device with the BCBSM app. To download the app simply scan the QR code, text APP to 222764, or search BCBSM on the App Store or Google Play.
