

## BENEFITS IN BRIEF – SENIOR OFFICERS FISCAL YEAR 2022 – 2023

This document is for reference only and not a contract document. The information in this summary is subject to policies, procedures, and contracts relating to each benefit plan, which are controlling as to the availability and amount of benefit coverage. Additional information about these benefit programs can be found in the [Senior Officer Handbook](#), the *CMU Choices* plan document, and benefit specific contracts, policies, certificates or summaries. For detailed information concerning coverage, premiums and University contributions, please contact the Benefits & Wellness Office (Rowe Hall 108) at 989-774-3661 or email [benefits@cmich.edu](mailto:benefits@cmich.edu). Current employees may also access online information at [www.cmich.edu/benefits](http://www.cmich.edu/benefits).

Through *CMU Choices*, you are eligible to participate in several benefit programs on a pre-tax basis: medical/prescription, dental, vision, employee term life insurance, short and long term disability, flexible spending account and health savings account. Dependent term life insurance is also available as a post-tax benefit. Employee premium cost share is available online at [hr.cmich.edu/benefits-in-brief](http://hr.cmich.edu/benefits-in-brief).

The “plan year” for *CMU Choices* is July 1 through June 30. The annual *CMU Choices* open enrollment period is typically held at the end of April for benefit elections and benefit costs are effective July 1<sup>st</sup> of each plan year. These benefits are effective as of the date of hire and all benefits end on the last day of employment. **New employees must complete the online benefits enrollment process within 30 calendar days from the employment start date.** If not enrolled by this deadline, the employee will be automatically enrolled in: single coverage in BCBS PPO2 / CVS Caremark; 2x employee life insurance; 67% long term disability; no coverage for dental, vision, short term disability or dependent life; and no flexible spending accounts. ***CMU Choices* benefit elections are irrevocable for the plan year unless you experience a qualifying status change event (e.g. birth/adoption, marriage, divorce, etc.) and a completed Status Change Request form is received in the Benefits & Wellness Office within 30 calendar days of the event.** Contact the Benefits & Wellness Office for assistance with benefit questions related to benefit status changes as failure to meet these requirements will prevent you from enrolling eligible dependents in coverage and/or from changing certain elections for the remainder of the plan year.

You may cover the following individuals on your *CMU Choices* medical/prescription, dental, vision and dependent life insurance plans: legal spouse; University-registered Other Eligible Individual (OEI); and/or eligible child(ren). **Spouses and OEIs must also be covered by their employer’s medical/prescription and dental plans in order to be eligible for this coverage under your CMU health plans, unless the spouse/OEI is charged 100% of the cost of coverage through their employer.** If the spouse/OEI is also a benefit eligible CMU employee, you may each enroll individually for health coverage, or one of you may cover the other as a dependent while the other elects no coverage; only one may cover your eligible children on CMU’s health plans. Both employees may take dependent life insurance on each other and/or dependent children. For further details, refer to the Benefit Eligibility Criteria online at [hr.cmich.edu/benefits-in-brief](http://hr.cmich.edu/benefits-in-brief).

Senior Officers receive a 10% University contribution on the employee's base earnings (excludes bonus, special pay, etc.). No employee contribution is required or allowed in this plan, and employees are immediately vested. Retirement income is determined by investment performance over time (there is no guaranteed pension amount). Effective with the date of hire, newly hired employees are pre-enrolled in the 403(b) plan with TIAA and invested in a lifecycle fund based on their age. The investment fund option can be changed at any time. This limit may be indexed for inflation in \$5,000 increments, in future years.</p> <p>The IRS 415 limit on annual additions applies to this plan; if you receive contributions to another 403(b) plan or a defined contribution retirement plan you are deemed to control (own more than 50%), you must report contributions to the CMU Benefits &amp; Wellness Office for determining compliance with this limit.</p> <p><b>Defined Benefit Plan:</b> To be eligible, employees must have been previously enrolled in the Michigan Public School Employees Retirement System (MPERS) <u>prior to 1/1/1996</u> at one of seven (7) institutions: Central Michigan, Eastern Michigan, Ferris State, Lake Superior State, Michigan Technological, Northern Michigan or Western Michigan. Eligible hourly employees are automatically placed in MPERS upon hire and are not able to opt out. Eligible full-time salaried employees have a one-time irrevocable choice between MPERS and the 403(b) Basic Retirement Plan. Employees may be required to contribute a percentage of their earnings into the plan and the vesting requirement is typically 10 years of MPERS service credit.
