

# CENTRAL MICHIGAN UNIVERSITY BENEFITS AT A GLANCE

## A resource for CMU staff employees

As a Central Michigan University benefit-eligible employee, you will receive a solid benefit package that offers a variety of choices. These benefits — combined with your pay — provide a compensation package that can be customized based on individual choice and personal preference.

The benefits explained within this brochure are for reference only and not a contract document. A complete description of the terms of the coverage — including exclusions and limitations — is provided in the CMU Choices Flexible Benefit Plan document and benefit-specific contracts, policies, certificates or summaries.

### **New hire enrollment**

Benefits are available on the first day of employment. Newly hired benefit-eligible employees have 30 calendar days from their date of hire to enroll in CMU benefit plans.

### **Medical/prescription coverage**

CMU offers three medical plans from which employees may select to help meet their needs. These plans are administered by Blue Cross Blue Shield through a Preferred Provider Organization — a network of doctors, hospitals and ancillary providers. In addition, CMU offers separate prescription drug coverage through CVS Caremark. Prescription drug enrollment is integrated with the medical plan elected and cannot be elected separately. CMU makes a substantial contribution toward an employee's medical coverage.

### **Dental coverage**

CMU's dental plan is administered by Guardian. There are two dental plan options: (1) core plan and (2) buy-up plan with orthodontic coverage. CMU pays a significant portion of the dental premium for the core plan.

### **Vision coverage**

The voluntary plan is provided through Vision Service Plan — (VSP) and two plan options are available. Coverage includes eye exams, standard and progressive lenses and frames, contact lenses — in lieu of glasses — and discounts for laser surgery.

### **Health Advocate**

CMU cares about the health and wellness of its employees, which is why CMU partners with Health Advocate for employee solutions focused on healthcare management and improving well-being.

#### **Enrollment Advocate**

#### **Chronic Care Solutions**

## Life/accidental death & dismemberment insurance

Eligible employees are provided with group term life and accidental death and dismemberment — (AD&D) — insurance, based on employee group, at no cost. Supplemental coverage may be purchased to provide insurance for employees and eligible dependents. Evidence of good health may be required.

## Disability insurance

### Short-term disability

Eligible employees may purchase voluntary short-term disability coverage. Short-term disability provides income protection for absence due to nonwork-related injury or illness. Two short-term disability plan options are available. After the 45-calendar-day waiting period, if approved, the benefits would continue up to 135 calendar days.

### Long-term disability

Eligible employees are automatically enrolled in long-term disability coverage at no cost. Long-term disability is an income protection program that provides benefits after 180 days of disability.

## Retirement plans

CMU offers generous benefits to help you build long-term savings and a source of income after you retire. The CMU retirement plan has two components: The Basic Retirement Plan and the Tax Deferred Investment Plans.

- 403(b) Basic Retirement Plan (employer's contributions): A defined contribution plan where a percentage of employee earnings is contributed by CMU to the employee's individual 403(b) basic retirement account. No employee contribution is required, and employees are immediately vested. Available to all half-time or greater benefit-eligible employees who are not eligible for the Michigan Public School Employees Retirement System — MPSERS.
- 403(b) and 457(b) Tax Deferred Investment Plans (employee's pre-tax or Roth contributions): Two plans are available to employees who elect to supplement their retirement savings by deferring a percentage of their earnings into one or both plans. Annual deferral limitations apply.

CMU, an AA/EEO institution, strongly and actively strives to increase diversity and provide equal opportunity within its community. CMU does not discriminate against persons based on age, color, disability, ethnicity, familial status, gender, gender expression, gender identity, genetic information, height, marital status, national origin, political persuasion, pregnancy, childbirth or related medical conditions, race, religion, sex, sex-based stereotypes, sexual orientation, transgender status, veteran status, or weight.

Eligible employees can use the tuition benefit program for courses taken at CMU starting with the semester that begins after their date of hire. The number of credit hours is prorated based on appointment. The program provides tuition benefits for employees and their eligible dependents — up to the maximum credit hours. In some cases, tuition benefits may be reported as taxable income as defined by IRS regulations.

## Flexible spending account plan

Employees may choose to participate in the Flexible Spending Account – FSA – plan. Two accounts are available under this plan: Health Care FSA and Dependent Care FSA. FSAs allow employees to set aside pretax earnings for eligible expenses.
